DEAK BELIEVES ESKIMOS OUT

Opines Odds 5 to 1 Against Edmonton in Queen's Game.

Edmonton, Alta., Nov. 28.—Here is what Deacon White has to say about the Eskimos' chances, as summarized in a signed statement he issued just before the team left for Kingston.

"What are the Eskimos' chances against Queen's is the question that I am in a position to know. To express a candid opinion in the vernacular of the betting fraternity the Eskimos are about five to one against but a shade better team than the one that represented Edmonton last year in the Dominion finals, and everyone knows the outcome of that game—23 to 0 in favor of the Argos."

"Last year the Edmonton public insisted on sending us after Dominion honors, when I was opposed to it, knowing that we would be likely to be outclassed, because of our inexperience and the well-known fact that the athletes that come to the top in a community of over 500,000 people are apt to be better in quality and greater in quantity than those that rise to the surface in a city of 60,000. It was a considerable feat to win the championship of Western Canada, and honor enough for a season for a city that does not encourage the Canadian game of rugby."

"This year having again won the championship of Western Canada the Eskimos are in favor of trying to clinch with the east, and the theory is that they should not do worse than last year, and may redeem themselves. One thing is certain, and that is that they will do their best. In Queen's University they will meet a lightning fast team, highly trained with a back field of experienced players, a pair of high class outside wings, a middle wing of stellar calibre and the whole twelve educated in the game by the expert brains of the east. To overcome this team is a big contract, and the Eskimos know it, but they do not feel like passing up the opportunity of trying it this year."

"You never can tell till you try."

LINDSAY A. A. ORGANIZES WILL ENTER TEAMS, O.H.A.

Discuss Amendment to O. H. A. Rules—Committee of Three Appointed.

Lindsay, Ont., Nov. 28.—Lindsay A. A. organized for hockey purposes last night, and decided to enter junior and intermediate teams in the O. H. A. committee of three, P. J. Carew, M. J. Ledman and O. H. A. representative, were appointed to supervise hockey, and Carew and Ledman were appointed delegates to the annual meeting at Toronto on Saturday.

Incidentally it was decided to follow up a proposed amendment to the O. H. A. rules, which was submitted in March, 1922, namely: That the rules be amended so as to include the following: by drop on the ice across the goal order to save goals; that such a player be penalized in such manner to the goal keeper who is found guilty of dropping to his knees.

Sport Tabloids

New York.—Because his wife is seriously ill, the New York Boxing Commission has suspended Harry Greb, the American light heavyweight champion, scheduled for Dec. 26 in Madison Square Garden.

Cambridge, Mass.—Princeton will appear again at the Harvard football schedule next year, it will be officially announced soon. Centre College will not be invited, and Virginia or North Carolina may take the place of Princeton.

New Haven, Conn.—No change in the next year, and Tad Jones will be back as head coach. It has been learned from reliable information, Jones' contract has two years to run.

Fight Results

New York.—Jack Bernstein, New York lightweight, won a twelve-round decision from Babe Herman, California featherweight.

Toledo.—Bill Tate, colored heavyweight, knocked out Tut Jackson of Washington in the fourth round.

BILLIARD KING INCREASES LEAD.

New York, Nov. 29.—Roger Conti of France last night increased his lead over Edouard Horsemans of Belgium. In their 1,800-point 15.2 ball-in-hand match, the score at the end of the second day's play giving him 1,200 to 678 for the Belgian. Conti maintained an average of 10 in the first block of 300, and his play was spectacular throughout. The match, which is being played in two days, points each daily, is being continued today.

Life and Character Reading.

NOVEMBER 29.

On this date Sagittarius comes into its own. This is the last sign of the Fire Triplet. This sign is a masculine, Diurnal, eastern, double-bodied, speaking, fortunate sign of the Zodiac. The higher attributes are love and auto-protection.

The people born on this date usually aim well and hit the mark in all matters. Because of this characteristic they are prophetic, and can tell the outcome of almost any enterprise from its inception.

These people rarely make mistakes when they follow their own inspirations, but they are sure to be betrayed if they rely on the advice of others.

The governing planet of this date is Jupiter, and the birthstone is a diamond. The astral colors are gold, red and green.

The Want Ads will prove your best friend in all matters, whether you desire to purchase something, lose something, or exchange something, they will be of unfailing assistance.

DENY RUMOR OF TRADE INVOLVING JACK ADAMS

President of Vancouver Hockey Team Unaware of Transfer.

Vancouver, B. C., Nov. 28.—That's news to me, said Frank Patrick, president of the Vancouver Maroons hockey team, when shown a dispatch from Toronto might saying that Jack Adams might join the Maroons this season. Patrick had heard of Adams' trade, but he said, when asked about it, the possibility of Corbett Denny coming west in Adams' stead.

Winnipeg, Nov. 28.—No official word regarding a trade involving Jack Adams, who played center for Vancouver last year, has reached George O'Donovan, manager of the Toronto St. Patricks, although he heard indirectly that Adams wanted to play in the East this winter. O'Donovan stated here last night. Incidentally he mentioned that he had spoken to Adams at Fort William when the team passed through, but nothing was said regarding hockey.

TO LET CONTRACT SOUTHEAST SCHOOL

Public School Committee, Board of Education, to Hold Special Meeting.

Final settlement of the southeast school problem is set for Thursday afternoon.

School Trustee Rev. A. A. Blois, chairman of the public school committee of the board of education announced that a special session of the former body has been called for that time.

It is fully anticipated that the contract will then be let for the construction of the new school, to be placed on the corner of Oliver and Trafalgar streets, property just acquired by the school trustees, after a lengthy controversy.

As the question of the actual purchase was left in the hands of the city solicitor several days ago, board of education authorities believe that the deal has finally been consummated and the money exchanged.

Letting the contract developed into another neat little problem, as it was first suggested by members of the board that the lowest tender should not be considered. It was concluded that the next favorable bid should be accepted and just as it seemed to be plain sailing ahead, the successful contractor exploded the bombshell at the meeting of the committee by the announcement that he was compelled to withdraw his offer.

Now the trustees, it is understood, have decided to accept the lowest tender, upon the condition that a certain bond is furnished. A reply as to this has not yet been forthcoming. Chairman Blois reports.

GERMAN PAPERS DISTRUST FRENCH

Believe France Intends to Seize Rhineland and Ruhr Basin.

Berlin, Nov. 29.—Prospective co-ercive measures to be adopted by France if the Brussels conference is postponed or abandoned, which are broadly hinted at in a supposedly inspired bulletin from Paris, are provoking copious and highly-agitated comment in the German press.

Despite official denials that the Cuno government is in receipt of a note, in which the French government threatens immediate appropriation of "productive securities" unless the German press is convinced that France is determined to use the impending postponement of the Brussels conference as a pretext for immediate quasi-annexation of the Rhineland and the installation of a French civil service organization, and also the occupation of two-thirds of the Ruhr section, including Essen and Bochum.

The German editors appear to be unimpressed with the official denials issued by Wilhelmstrasse and profess to see in the unobstructed French ascendancy in the present international situation an unfailing indication that the strategic position held by Premier Poincare suffices to enable him to dictate and carry out an arbitrary policy in connection with French aspirations.

EMBRO

Special to The Advertiser.

Rev. Mr. Langford will occupy the pulpit of the Methodist Church on Sunday night, Dec. 17.

Mrs. William McDonald is the guest of Mr. and Mrs. J. Youngs at Brookdale.

Miss Josie Martin, who spent the past two weeks with friends at Lakeside, has returned home.

Miss Lupa Murray is a visitor at the home of Mr. and Mrs. H. Tizard.

The E. P. S. will hold a Christmas concert in the town hall on Friday night, Dec. 15.

Miss Irene McDonald is visiting with friends at Stratford.

The M. B. Club held a very successful tea from 3 to 6 o'clock at the manse on Saturday afternoon. Proceeds amounted to \$10.25.

Miss Helen Moyn of Woodstock was a visitor at the home of Mrs. E. Kennedy on Sunday.

Mrs. James Goldsmith is visiting with friends at Stratford for a few days.

A large number from Embro attended the opera, "The Bar," which was presented at Woodstock last night.

Rain is badly needed in Embro, and several cisterns and wells are reported dry. In the country a number of farmers have to draw water from stock.

EVERYBODY OUT TO BUY NEW SHOES AND RUBBERS

What is a good day's work for a salesman in a boot and shoe establishment?

Saturday was a good day for business for those who had been putting off buying winter shoes and rubbers to act at once.

A salesman in a store that carried a well-worded announcement in the columns of The Advertiser reports his personal selling for the day was \$472.

This included the selling of rubbers, boots, shoes, slippers. He was not trying to make a record, but believes he succeeded in setting up a mark that will stand some beating.

FAIRS CONVENTION OPENS IN TORONTO

The International President Claims 90 Per Cent Success of Exhibition Due to Public.

Toronto, Nov. 29.—Two hundred and fifty delegates were in attendance at the opening of the session of the 32nd annual meeting of the International Association of Fairs and Expositions.

Fairs and exhibitions from almost every viewpoint were dealt with by Joseph E. Rogers, of the Ontario police, told how Ontario deals with travelling shows, while Frank D. Fuller, secretary and general manager of the Tri-State Fair, Memphis, Tennessee, dealt with "Car-nivals and Concessions From the Fair Standpoint." W. H. Hamilton, editor of The Billboard, made a plea for the support of the officers and members of the association in the battle for cleaner shows and games.

Charles E. Ringling, of Ringling Brothers, Barnum & Bailey, presented an interesting address on "The Children of the Fairs."

In his speech, the son of W. G. Ringling, a prominent architect in Regina, and one daughter, Mrs. Earl Bell, who was recently deceased, declared that the success of the exhibition is due to the goodwill of the people. "You have an audience of 100,000 people here, and you, including the carnival people, are the backbone of the exhibition," he said. "The solution of this, in my opinion, should be up to the individual fair people. It is up to you, including the carnival people, to make the exhibition a success."

The whole atmosphere of unclean entertainment is out of harmony with the ethics of the exhibition world. The commercial morality of the dishonest concessionaire, whom we have been hearing about lately, adopted as a standard the average business man, would bring the guy trader into contempt, his business to ruin and the police to his door."

DISCOVER VESSEL WRECKED IN LAKE

Missing Schooner Found Off Timber Island With Crew Safe.

Special to The Advertiser.

Kingston, Ont., Nov. 29.—The schooner Katie Eccles, which weathered the storm of Sunday night when enroute from Oswego, N. Y., to Belleville with hard coal, is a wreck on the shore of Timber Island. The Eccles went ashore during the night and was not until yesterday afternoon that she was discovered.

The vessel lies in four feet of water off the shore and cannot be reached by wrecking tugs. The Eccles will likely be a total loss and it may be next spring before the coal cargo of 235 tons be recovered.

The crew, consisting of Captain Harry Mitchell, Portsmouth, a Belleville young man, and Mrs. Norman Lloyd, Kingston, the captain's wife, on the vessel but can easily reach the shore. It may be evening before they can be brought to Kingston, owing to the weather conditions.

The cargo of the schooner Lyman, ashore at Waupoos Island will have to be lightered today before that vessel can be released.

The schooner Daryew, which went aground at Four Mile Point was released by the Doucay Wrecking Company and has arrived in Kingston with her cargo of coal.

2 KILLED, 3 INJURED AS STILL EXPLODES

Men Meet Horrible Death as Tank in Stable Bursts.

(Special to The Advertiser.)

Philadelphia, Nov. 29.—One man was killed instantly, one died at Roosevelt Hospital today, and three others are in hospital, probably fatally injured, as the result of an explosion of a hundred gallon still that had been operated in a stable here last night.

Police today stated that 1,000 gallons of alcohol was stored in the stable, and following the explosion of the still a score of flaming blasts followed as fire reached a number of barrels containing alcohol.

Six men were working near the still when it exploded. They were hurled against the wall of the building and showered with burning alcohol.

Screaming for help, they rushed to the street. Persons attracted by the detonation wrapped coats around them to extinguish the flames.

One man killed has not been identified. The other victims were John Krables, 18, John Shay Horn, 20, Benjamin Waxman, 30, and Louis Blumberg, 32, were burned and otherwise injured.

LAW GIVES NO AID TO CONTROL

Continued From Page 13.

does not want any machinery to co-operative control to be set up.

The Manitoba Free Press and other people have always contended that the establishment of satisfactory machinery of co-operation was impossible until a definition of dominion status was secured, and the more closely the problem is examined the greater acceptance will this view secure.

Mr. Law is disarmingly frank, but he shows himself a representative of the ancient school, when he thinks the dominions ought to be permanently content without any real control over British foreign policy, and at the same time remain devoted members of the British Commonwealth.

It may be that he imagines that some sort of machinery can be set up without facing the problem of dominion status. In that event it is high time there was constitutional conference to promote his political education.

COMPOSES "QUEEN'S VICTORY MARCH"

Kingston, Nov. 29.—A "Victory March" has been composed by Oscar Telegmann, a local composer, to commemorate Queen's football victory, and it will be ready for the local bands and theatres in a week's time.

PIONEER BUSINESSMAN OF SEAFORTH EXPIRES

W. D. Vanegmond Passes at Edmondville in His 76th Year.

Special to The Advertiser.

Seaforth, Nov. 28.—One of the pioneer businessmen of the town passed away suddenly late on Monday afternoon, at his residence in Edmondville, in the person of W. D. Vanegmond, eldest son of the late A. G. Vanegmond, in his 76th year.

The deceased was well known throughout Western Ontario, having been for many years the senior partner in the Vanegmond woolen mills. He was married more than 35 years ago to Miss Jessie Ferguson, daughter of the late Thomas Ferguson of Edmondville, who predeceased him five years ago. Mr. Vanegmond had been a sufferer from heart trouble for some time, but was able to be around until a few days prior to his death. He was born in Harpurhey, Lancashire, the greatest part of his life in Edmondville.

After retiring from business he moved his family to Toronto, where he resided for several years, returning to Edmondville to spend his remaining days. He was a Conservative in politics and an Anglican in religion. One son, W. G. Vanegmond, a prominent architect in Regina, and one daughter, Mrs. Earl Bell, who was recently deceased, survive.

The funeral will take place on Friday afternoon from his late residence to the Edmondville Cemetery. About 75 friends and friends assembled at the home of Mr. and Mrs. James Carnochan, Sr., in the afternoon on Friday evening, and presented Mr. and Mrs. Carnochan, Jr., with a cut glass water set on a mahogany tray in honor of their mother-in-law. The address was read by Mr. D. Nichols and the presentation made by Mr. W. Eyre.

"TIGER" RESUMES INVASION OF WEST

Undaunted by Lack of Enthusiasm of Chicago Audiences.

Special to The Advertiser.

Chicago, Nov. 29.—Undaunted by the rather unenthusiastic reception he received here, Georges Clemenceau today prepared to move on to Springfield, Ill., on his invasion of the west.

He will depart for Springfield tomorrow, and then go to St. Louis, after which he swings eastward again unless there is a change of plans.

The people listened attentively, but failed to applaud very much. Clemenceau told them that Germany was still a military menace and that hidden stores of arms were being found in that country.

"The Tiger" had considerable trouble trying to talk into microphones over the platform, and this interfered with his train of thought, so his speech was not so effective as his addresses at Boston and New York.

Mayor Thompson's widely-heralded night meeting, at which "foreign propagandists" were to be denounced, was quite peaceful. The mayor's only direct reference to Clemenceau was as a patriotic French gentleman.

Clemenceau in his speech cited many elaborate statistics to defend previous charges of breach of treaty faith by Germany.

In this manner he struck at his treaty critics, rather than by the dynamic, pulverizing oratory of which he has shown himself capable.

L. AND P. S. NIGHT TRAIN HITS BROKEN SPAN WIRE

By Staff Reporter.

St. Thomas, Nov. 28.—The London and Port Stanley train No. 35, leaving St. Thomas for London at 11:45 p.m., struck a broken span-wire opposite Turner's Gully Tuesday night. Considerable damage was done to the line wires and the overhead construction on the car. A general tie-up of power connections resulted. The late south-bound train was held up at Yarmouth. Arrangements were made, and taxis were promptly provided for the return of the passengers. The line crew was called out and not until about 4 a.m. was the line in order to enable trains to make their schedule runs.

CANADIAN HORSES BRING HIGH PRICES

"Old Glory" Sale Opens in New York—Many Dominion Buyers Present.

New York, Nov. 28.—A record attendance and high prices paid for both Canadian and United States bred trotters marked the opening yesterday of the Old Glory sale in Squadron A Armory. Twenty-five yearlings from the Walnut Hill Farm, Kentucky, brought \$22,410, an average price of \$896.40 per head. Real Frisco, a yearling in this lot, brought \$5,600, the top price of the day. Guy Brown, a yearling son of Guy Axworthy, brought \$5,100, the next highest price. Both colts went to A. H. Worrell, of Danvers, Mass., who was believed to be acting for Thomas W. Murphy, the grand circuit horseman. Still other twenty-five of the Walnut Hill Farm yearlings remain to be offered today.

Others of the higher priced horses sold yesterday included: Mabel Seymour, 2:11 3/4, b. m., by Lord Seymour; Mabel T. (2:11 3/4), by Sphinx Medium; J. B. White, Saratoga, N. Y., \$1,600.

Bonnetta Frisco, ch. f., by San Francisco-Sunbonnet, by Moko; Ben White, Lexington, Ky., \$1,100.

Andy Frisco, b. a., by San Francisco-Andorra, by Moko; W. H. Nelson, Mount Kisco, N. Y., \$1,000.

Guy Sentinel, c. g., by Guy Axworthy-Gaity Lee, by Bingen; George Temple, Cleveland, \$1,000.

Capt. Mack (2:03 1/4), br. h., by the Bondeam-Bessie L., by Montana Director; H. M. Stanford, Ontario, N. Y., \$1,125.

Adios Guy (2:00 1/4), ch. h., 12, by Guy Dillon-Adios, by Guy Wilkes; H. H. Stokes, Springfield, O., \$1,050.

A curtain-raiser to the sale was the reported private sale of the maiden racer, Iskander (2:07 1/4), for \$17,000, to Thomas Murphy, by Roger Bourke

BROTHERHOOD BANQUET IS SUCCESSFUL EVENT

Lambeth, Nov. 28.—Mrs. W. C. Harris suffered from a stroke Monday afternoon, but is reported as progressing favorably.

Mrs. Marshall fell from a stepladder, breaking her leg.

The Brotherhood held a very successful banquet, there being over one hundred present. The program consisted of violin selections by Mr. McLaughlin and vocal numbers by the male quartet. The speaker of the evening was Mr. Main of London, who spoke at length on citizenship, what the dominion government requires of foreigners, and urging his audience to set a good example. Prizes were given for the best set tables, the men of the north winning first and the westerners second.

Ridout Street Leaguers are putting on a program in the Methodist church tonight for the benefit of Lambeth League. The proceeds were donated to the lantern fund.

The Cheerio Club presented a play in the city last night.

Rev. Mr. Jefferson and several laymen attended the Missionary Sessions in the First Methodist Church, London, yesterday.
