Big Six Group Leaders Hang Up Thirteenth Victory At Expense of Tail-Enders

Falls Comes From Behind To Defeat Greenshirts 3-2

Siebert Registers Winning Goal in First Minute of Final Canto.

CLEAN AND FAST

for Kitchener.

Niagara Falls, Feb. 9.-The Niagara Falls Big Six group leaders won a good. clean and comparatively fast game from Kitchener Green Shirts here tonight by the edge in the opening chapter. In the second period the Frasermen came to life, tieing the score and blanking the visitors. The tricolor kept on the aggressive in the final period, scoring the After the first period the Falls team all played well, though Fraser was outstanding. Hiller and Hillman were best

First Period.

Play was even in point of possession of the rubber and close goals, although Kitchener showed much more system to their play. Hitler, Hillman and Hinsperger played well together. The Frascremen played decidedly loose at times, showing little pep in back checking after losing possession of the rubber. The invaders scored the only two goals of this period, Hillman being the marksman on each occasion. The first counter was registered after six minutes' play when he was in close alone.

The second goal came five minutes later on a long shot from outside the defence.

Second Period. First Period.

Second Period.

Fraser got the first counter on a pass from Herrington at 30 seconds. Fraser evened the count 14 minutes later on an end-to-end rush, going right in and picking the corner of the net. The homesters had more good chances to score in this section, although the Green Shirts continued to play good combination and use their heads in the pinches. Kitchen, Kelterbourne, Herrington, Siebert and Fraser all figured in plays that resulted in close calls, while Hiller, Hillman, Hinsperger and Karges worked hard and effectively.

Third Period.

Siebert put the game away in the first minute, going all the way on a fast individual rush for the only goal of this frame. The Falls were more aggressive than the Green Shirts, and only bad breaks prevented them from scoring. The visitors never let up, however, but kept pluggling for the tying goal although they were never clean inside the defence for an opening. Summary:

First period — Kitchener, Hillman, Second Period.

Toronto Boxer Fails To Lift Crown of Coast Bantam.

Canadian Press Despatch. Toronto Feb. 9.-Jackie Johnson of Toronto was favored by Referee Hayes of Hamilton in tonight's bout for the Canadian bantam title, when he was given a draw against Vic Foley of Vancouver, the champion, after ten rounds the judges having disagreed. The decision was not extra popular, although Johnson is a local boy, the concensus of ringside opinion being that Foley had a cleancut margin. Foley was much better at in-fighting, and had Johnson worried toward the end, although the local lad made a gerrison finish. Johnson landed the cleaner punches, and was willing: in fact, both were, but Foley was the stronger. Both Johnson and Foley were given great receptions. Foley had a slight advantage in weight, weighing 118½ to Johnson's 118 pounds. The bout was for the Canadian bantamweight title, which Foley won in December by knocking out Howard Mayberry of Hamilton. The latter shook hands with the two principals.

Kingston Senior Cagers To Play On Local Court Friday.

LEADING LEAGUE

Senior intercollegiate basketball has developed keen interest locally since the tri-color of Queen's University who visit London this week are sitting in an isolated position at the top of the league. They have yet to lose a match. However, when they take the road on Friday next, their real testing will begin, for while many teams in basketball are capable of winning at home where the playing like hockey where the rinks are mostketball is a game in which personality, familiar surroundings, etc., have a good deal to do with the results of

close contest. The first game Queen's will play away from home is on Friday next when they meet Western here and should the local boys maintain the McGill last week there is no doubt

about the outcome. Elaborate preparations are being made by the Queen's graduates of whom there are a large number locally, to turn out 100% strong in support of their team, but not to be Western's cheer leader and rooters together with many local followers will be on hand and the public will have an opportunity of the sons of Canadian farmers to the ern, a team fighting to obtain hold of the silverware, and in the second place, Queen's, a team trying their best to maintain their record of vic tories. Queen's have considerable advantage in experience and in ad-Canadian mills on pulp wood and the past two years. Granting them all lumber should be at least as low as this, however, the local school is
