GOVERNMENT SUCCESS.

He is Satisfied with the Result of His Deed.

PARIS, June 26.—The chances of M. Casimir Perier for the presidency are regarded as greatly helped by the dissensions in the ranks of the Republican senators. It is expected that of the eight hundred votes cast by ballot to morrow Casimir Perier will receive four hundred. His supporters are confident that he will have at least 350 votes. Depuy and Brisson together may possibly get 250. If Casimir-Perier is not elected on the first ballot his chances may diminish thereafter, as the Dupuy faction is trying to induce Brisson's supporters to transfer their votes after the San ballot in the Result of the Result of the Casimir Perier will receive four hundred. His supporters are confident that he will have at least after the control of the case of their supporters were called upon but no one responded. The three government candidates promptly responded to their names and maderousing five minute specches, and in the cast of the case of t
