TELEPHONE 31& or grain, stc., direct on the Chlorgo Prade. CHICAGO MARKETS, fluctuations in the Chlorgo grain ce market are as follows: Open Close Gat Gat	honor (?) that his fellows in the legislature might not appreciate. Churchville, Jan. 13. Caswell. Massey & Co's Emstates et Cod Liver Oil with Pepsin and Quisins, is recognized as the best preparation known. From the person of the legislature of the leading shysicians. Williams Algie Not Converted to Christian—157. Editor World: In your issue of Jan. 17 there appeared a paragraph copied from The Orangeville Post, announcing my conversion to Christianity. Permit me to state that there is not the slighbest grain of truth in the stalement. I was born a freethinker and the chances of my being converted to Christianity have decreased with each year of my existence. The story had its origin in the farilis brain of somebody "whose zeal outran his discretion," and was doubtless intended as a joke. President Canadian Secular Union. Alton, Jan. 22. Severe colds are easily cured by the use of Bickle's Anti-Consumptive Syrup, a medicine of extraordinary pemetraling and healing properties. It is acknowledged by those who have used it as being the best medicine sold for coughs, colds. Inflammation of the lungs, and all affections of the throat and chest. It s agreeableness to the taste makes it a favorite with ladies and children. City Hall Small Talk. Ald. Frankland, chaliman of the Markets and Health, has called his committee together for to-morrow. The many friends of City Treasurer Coady yesterday congratulated him upon his being the father of a bouncing boy. The residents of Parliament-street are again complaining that the Consumers Gas Co. is using the sewer for a take-off for its tar. Sewer Engineer Rust and Inspector Jones went over the sewer yesterday, and will report. The Board of Works has it sewers for progress, four of them by day labor. Superintendent Chambers has in his possession the plans and specifications of contracts for macadamized roadways as laid down in London, Eng. He says that this class of pavement makes the best street in the world. Through the sepration of the Parks and Cardenis fr	We wish to hake another remark at this point, and that is, that our expenses are not as harge in proportion as in some companies doing a much smaller business; but being larger in the agreepart. It appears to our disadvantage in the matter of impairment. We cannot foo strongly impress upon all present the value of haying a large premium income; with it, the success of any company is assured. A company may, by the strictest economy, succeed in keeping its expense account exceedingly low but if the done at the expense of its vitality, the procedure is unwise and dangerous. On the other hand, a large expenditure is not only excusable, but commendable, if its equivalent can be shown in premiums on the Company is books. Although it is an unusual course for new companies to pursue, we deolded to submit our policies for raluation to the Insurance Department at Ottawa, and the report is before you to-day in the Company's General Report. The Company has grown rapidly in public estimation, as is attested by the continuous volume of business received from all quarters of the Dominion, and this fact, taken in conjunction with the lation bestowed by the Directorate in conducting the Company's affairs, has been a powerful incentive to the office said and the agenty, to see every possible effort to widen the area of the Company's usefulness on the field, so that during the year just past obstacles that seemed almost insurmountable have been overcome and results accomplished which are usually only reached by years of steady application. The growth of the Company has been rapid, and the volume of business proportionately large, necessital ing in the opinion of the Executive the appointment of a Secretary Treasurer, and for this responsible position Mr. S. I. Kerr has about of the Company are obstacled. Mr. Kerr has ably filled a similar position for many years, and brings with him a large experience. Those interested in the Company are to be congratulated on this appointment. This report would be incomplete did we not ten	and is now reported to be in St. Thomas of St. John, N. B., have begun paying to noteholder a segonil dividend of 30t. on the dollar, making 30t. in all. The remaining 20t. will be paid in a few months. It is not supposed that there will be much left for the depositors unless the preference dealm of the Government is successfully resisted. A Successful Combination.—The successful combination of the six oils composing Dr. Thomas Eclectric Oil is a genuine triumph other in the combination of the six oils composing Dr. Thomas Eclectric Oil is a genuine triumph other internally to remedy a cough, it is speed ity and entirely effective. **UNITED STATES NEWS.** A block of business houses and shops was burned at McKinney, Tex., Tuesday night loss \$56,000. All the buildings on the north side of the public actuare in Unionville. Mo., were burned Tuesday morning. Loss \$80,000. These United States Senators were elected yesterday; McPherson (Dem., N. J.), Plumi (Rep., Kan.), Washburn (Rep., Minn.). The entire business part of Lancaster, Tex. was burned Thesday. Seventeen building and their contonts were destroyed. Loss, \$76,000. A Catholic colonization society, with a capt at of \$100,000, has been formed at Pitts burg to establish Catholic colonies in the South. There are indications that the National Stee Beam and Structural Steel Trust will be broked up on account of the cutting of rates by some of the metholers. Cranston's dock and the building thereon, a Newburgh, N. Y., used by the West Shore Railroad and steamboard lines, was destroyed by fir yesterday morning. The Knights of Labor have ordered a general lockout at the minas of the Oregon Improvement Company in Washington Territory to force the company to disarm the Miner Union. The 8 n.m. south-bound express train on the Union.
