COMMUNICATIONS.

[We do not hold ourselves responsible for opinions expressed by correspondents.]

Kerwood, Nov. 19th, 1917.

DEAR MR. EDITOR:

In reply to an article in last week's paper—a reply of Mr. Edwards to an item in your paper some time ago in regard to the price of hogs paid by the buyers of Kerwood, he states that I had my pigs sold the week before, but I did not have them sold until the Tuesday morning before I shipped on Thursday. He states that he paid \$16.80 and received \$17.00, less 1/2 per cent. which would be 8 1/2 c per cwt., which would leave him 11 1/2 c per cwt. clear—where would be his loss of \$48.37 which he states he had on his shipment of hogs? In regard to my saying I had the pigs sold the week before I shipped I only had them sold the Tuesday before at \$18.00 a cwt.

SERIOUS ILLNESS AVOIDED

Many a serious illness has been avoided by the prompt use of Dr. Williams' Pink Pills. These pills actually enrich and purify the blood, and in this way build up the system, tone and strengthen the nerves and invigorate the vital organ. Serious diseases generally come from some simple disorder that has been neglected. Therefore any thinning of the blood should be looked upon as a warning sign, and more serious illness should be avoided by the use of Dr. Williams' Pink Pills. In the case of young girls and women the blood is peculiarly liable to get out of order—to become thin and watery—and to lead to a general breakdown in health. This can be avoided by the occasional use of Dr. Williams' Pink Pills, which are suitable for the most delicate constitution. These pills will give you a new appetite, improve your digestion, tone and strengthen weakened nerves, banish depression and lack of energy, clear the complexion of pimples and blotches, cure pain in the back and general weakness, the disappearance of headaches, dizziness and heart fluttering. Give these pills a fair trial and you will soon note a wonderful change in your condition. Your spirits will brighten, good health and strength will return and you will feel like a new person. You can confirm these statements by inquiring among your friends almost anywhere, as thousands and thousands of hopeless sufferers have been restored to new health and energy by using Dr. Williams' Pink Pills.

You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brookville, Ont.

Death of Mrs. Wm. Dolbear

The death occurred, from pneumonia, at her home in Brooke, on Saturday, Nov. 3rd, 1917, of Mrs. Wm. Dolbear, one of the pioneer residents of Brooke Township. The deceased was born on Dec. 14th, 1838, being the eldest daughter of the late Mr. and Mrs. Philip Annett, of Euphemia. In her younger days she attended the Wardsville High School and became a very successful school teacher, teaching for six years in the schools of Brooke and Euphemia townships. In 1869 she married Wm. Dolbear and settled in the woods on the farm where she died.

In spite of her advanced age, Mrs. Dolbear possessed a wonderful memory and bright mind and took a keen interest in everything connected with her home and country till the last. Besides her aged husband, she leaves to mourn the loss of a kind and loving mother, four children:—Mrs. Chas. McCarter, Alvinston; Fred, Brooke; Mrs. Robt. Alderman, Brooke; and Peter at home; also two brothers, James of Watford, and Isaac of Detroit, and one sister, Mrs. Thomas Walker, of Caledonia.

The funeral was held from the family residence on Monday, November 5th, at 2 p.m. and was attended by a large number of friends and neighbors who gathered to pay a last tribute to one much loved by all. Interment was made at the Alvinston cemetery, the pall-bearers being Alfred Morrison, Parlaun McTavish, Robert Grey, Dougald McIntyre, Dan McKellar and Robt. McVicar.

ADELAIDE

The following is taken from the St. Ignatus (Montana) Post: "Mrs. Fred Watson passed away at the local hospital early Sunday morning, October 21st, of acute organic heart disease, following an operation for appendicitis. For several days subsequent to the operation, which took place on the 16th, she had been in a critical condition, but her death was unexpected, and came very suddenly. Her husband was called as soon as the alarming symptoms appeared. Her loss is a terrible blow to her husband and little daughter, and is mourned in every home in the community. The remains of Mrs. Watson were shipped on Monday to Ontario, for interment in the family plot in the cemetery at Strathroy, Lizzie McChesney Watson was born in Adelaide on February 11th, 1887, and was 30 years of age. She graduated from the High School at Watford and later from London Normal. In March, 1912, she became the bride of Fred Watson, and a year later with her husband came to Potomac, Montana. In 1913, the family moved to their farm at St. Ignatus, where they have since made their home. Here in 1915, was born their only child, Kathleen Agnes, aged 2 years and 2 months. The grief-stricken husband and little daughter left Missoula for Ontario on Monday evening, on the same train that carried the remains of the wife and mother. Friends of the family from here and from their former home in Potomac, journeyed to Missoula to bid them farewell. The St. Ignatus Masonic Lodge, of which Mr. Watson is a member, went to Missoula on Monday to do what they could to ameliorate the terrible grief of their bereaved brother."

Ross Robinson, a farmer of Southwood Township, in starting a stationary gasoline, was caught in the fly-wheel and sustained perhaps fatal injuries. He suffered 11 cuts about the head, his right arm was almost wrenched from his body, his left was smashed in two places, and his collar bone and shoulder blade were broken.

A Rousing Meeting

Those who attended the Annual Meeting of the Watford Branch of the Bible Society in the Baptist church last Thursday evening enjoyed a rare treat. The president, Rev. Mr. Connors, presided, the other ministers of the town were present and took part as requested. The choir was composed of members from the different choirs of the towns, Miss Sadie Clark, also rendered an appropriate solo.

Rev. R. J. Bowen, the District Agent of the Bible Society, was present and gave a masterly address, full of interest concerning the work of the Society in general and especially under war conditions. He referred to the Emergency Fund calling for \$150,000 made necessary by the unusual demand for Bibles and at the same time the enormous increase of cost in publishing. When Mr. Bowen spoke of England under war conditions he not only interested and held his audience but inspired and enthused them as he depicted England, sobered but alert, eager and self-sacrificing in the great struggle in which she is so absorbingly engaged. As the speaker went on all felt proud of England and of the fact that too are British, but a little ashamed that we do so little comparatively.

Mr. Bowen will be welcomed when ever he comes. An effort is being made to secure him for Sunday evening, Dec. 16th, for a union service in interest of this work.

Rev. Mr. Tiffin is the president elected for this year, the other officers being re-elected:—Vice-president, John McKercher; Secretary, Dr. Hicks; Treas., J. W. McLaren; representatives, W. H. Shrapnell, S. W. Louks, W. Marwick, W. Harper, J. McKercher.

An expression of appreciation was conveyed to the collectors of last year for their faithful service, \$150.23 being collected.

Watford Women's Patriotic League

The 3rd annual meeting of the Woman's Patriotic League, was held at the home of the President, Mrs. W. M. Shore, at the Rectory, Watford Village, on Wednesday afternoon, Nov. 14th. There was a splendid turn out, to hear the report of what the League had been doing in the past year. Mr. C. Hawkins made a very excellent chairman. The President's address also was very good. The speaker, Dr. Hubbard made a very forceful address. The two points he dealt on, were, first the conservation of food, and secondly he advocated the campaign system as a means of income. The following ladies took part in the very excellent program, that was rendered, Miss Ross, Miss Thornicroft, Mrs. H. O'Neil, and Miss E. Richardson. The Officers reports were extremely good, 27 meetings having been held during the year. The total income from all sources was \$1055.18. Besides buying flannel, etc., the League has adopted a prisoner of war, also sent \$25.00, to the French Flag Fund, and \$10 to Mrs. McFiedran for the soldiers sock fund. Also a wheel chair valued at \$40 was donated by the League to the Soldier's Hospital, and is at present being used by five invalided soldiers. 25 bales were sent to Hyman Hall, which contained the following articles: 344 grey shirts, 7 helpless shirts, 322 suits of pyjamas, 159 towels, 165 pillowslips, 16 sheets, 125 handkerchiefs, also 396 pairs of socks.

Total value of bales \$1300, sent for the soldiers. All the officers were re-elected, Mrs. H. Vance gave a very good reading on Women's Work; Mrs. Burton read an extract that was practically a call to those women who were not working, to pitch in, and do their bit, in some way or other. While the members of the League were preparing the lunch, Mrs. R. Laws and Miss McGregor gave a very excellent duet. The collection amounted to \$33.15 with \$200 for the soldiers comforts. The officers of the League are:—Pres.—Mrs. W. M. Shore; 1st. Vice-Pres.—Mrs. Burton; 2nd Vice-Pres.—Mrs. Cook; Treasurer—Mrs. O. Richard; Sec. Secretary—Mrs. J. Kirvell; Cor. Secretary—Mrs. B. B. Dann.
