

THE INFALLIBLE REMEDY!! Holloway's Ointment.

ERYSIPELAS of eight years cured! Copy of a Letter from Geo. Sinclair, Esq. of Paris, Canada, dated the 18th July 1854.

To Professor Holloway Sir—I feel a pleasure and a pride in bearing witness to the wonderful benefit I have derived by the use of your Ointment and Pills. For eight years I suffered incessantly from attacks of erysipelas; large purple Swellings came all over my body, in addition to the unpleasant feeling of itching and burning, which attended me both night and day, rendering life a misery to me, as well as all around me—so severe was the attack, I used several reputed remedies without deriving the least benefit to my system. At last I determined to try your Ointment and Pills; after taking them for a few weeks, a visible improvement took place, and I felt considerably better—in three months, by continuing with your medicines, I was completely cured, and now enjoy the best of health. The rash of this ailment is well known here, hence there is no necessity for me to request secrecy.

I am, Sir, yours respectfully, (Signed) GEO. SINCLAIR.

LLCERS in the Leg—Remarkable Cure! Copy of a Letter from M. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 4th May, 1854.

To Professor Holloway Sir—My sister, Miss Jane Tomkinson, suffered for a great number of years from a bad leg, on which there were several deeply seated and old wounds, during the course of some of the most eminent of the medical faculty, a variety of remedies were also used unsuccessfully; and it seemed to me that there was not any thing capable of mitigating the agonies she endured. At length, she had recourse to your Ointment and Pills, and after using them for about five weeks, she was completely cured, and the slightest relief. I have no objection to these facts being published, if you feel disposed to make them known.

I remain, Sir, your most obedient Servant, (Signed) EDWARD TOMKINSON.

A BAD BREAST CURED WHEN AT DEATH'S DOOR!! Copy of a Letter from Mr. Henry Malden of Three Rivers, Canada West, dated July 9th, 1854.

To Professor Holloway Sir—My wife suffered most severely after the birth of one last child with a bad breast. There were several boils in it, one as large as a hand; all the devices and strappings I tried would not heal it, but, as a last resource I tried your ointment and pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well by continuing with your remedies for two more weeks, she was entirely cured, and we offer you our united thanks for the cure effected.

I am, Sir, yours truly, (Signed) HENRY MALDEN.

AYER'S PILLS.

A new and singularly successful remedy for a cure of all Bilious diseases—Constipation, Indigestion, Jaundice, Dropsy, Rheumatism, Fevers, Gout, Humors, Nervousness, Irritability, Indigestion, Headache, Pains in the Breast, Side, Back, and Limbs, Female complaints, &c. &c. Indeed, very few are the diseases in which a Purgative Medicine is not more or less required, and much sickness and suffering might be prevented, if a harmless but efficient Cathartic were more freely used. No person can feel well while a positive habit of body prevails, besides its comparative safety and often fatal doses, which might have been avoided by the timely and judicious use of a Purgative which leads the bowels all over the land. Hence a reliable family medicine of the first importance to the public health, and this Pills have been prepared with consummate skill to meet that demand. An extensive trial of its virtues by the Doctors, Professors, and Physicians, has shown results surpassing anything hitherto known of any medicine. Cures have been effected beyond belief, were they not substantiated by positive and exact testimony, and the character so to forbid the suspicion of fraud.

Among the eminent gentlemen to whom we are indebted for the following testimonials are the following: PROF. VALENTINI MORI, the distinguished Surgeon of New York City; CHAS. A. HAYES, Practical Chemist of the Port of Boston, and Geologist for the State of Massachusetts; DR. L. MOORE, M. D., an eminent Surgeon and Physician, of the City of Lowell, who has long used them in his extensive practice; H. C. SUGRUE, Esq., one of the first Bar, Chancery New York City; C. A. DAVIS, M. D., Surgeon of the United States Marine Hospital, at Chelsea, Mass., who has used them in his practice for many years, and has cured many cases, from all parts where the Pills have been used, but whose names were omitted, as they are not the object of this advertisement, and are shown in their effects upon trial.

These Pills, the result of long investigation and study, are offered to the public as the best and most complete means of restoring the system to its normal state. They are compounded not of the cheap ingredients of the market, but of the purest and most valuable medicinal substances, in a state of purity and combined together in such a manner as to exert a powerful and salutary effect upon the system. As it is frequently expounded that my medicine should be taken under the counsel of an attending Physician, and as he could not properly judge of a remedy without knowing its composition, I have supplied the accurate Formula by which both my Pills and Pills are made to the whole body of Practitioners in the United States and British American Provinces. If however there should be any one who has not received this medicine, he will be pleased to send me his address, and I will be glad to send him a copy of the Formula.

Of all the Patent Medicines that are offered, how would he take it if his composition was known. Their efficacy is in their simplicity. I have no mystery.

The composition of my preparations is laid open to all men, and all who are competent to judge on the subject, freely acknowledge their convictions of their intrinsic merits. The Cherry Pectoral was prepared by scientific men to be a medicinal medicine before its effects were known. Many eminent Physicians have declared the same thing of my Pills, and even more confidently, and are willing to certify that their preparations were more than realized by their effects upon trial.

They operate by their powerful influence on the internal vessels to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by directing wherever they exist such derangements as are the first origin of disease.

Being sugar wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity. For minute directions, see the wrapper on the Box.

FRIEND OF THE CANADIAN? HOLLOWAY'S PILLS.

Extraordinary Cure of Asthma!!! of an old Lady, seventy-five years of age. Copy of a Letter from Mr. Thomas Weston, (Book Store) Toronto, dated the 9th October, 1854.

To Professor Holloway, Sir—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for upwards of four and twenty years with asthma and spitting of blood, it was quite agony to see her suffer and hear her cough; I have often declared that I would give all I possessed to have cured her; but although I paid a large sum for medicine and advice, it was all to no purpose. About three months ago, I thought perhaps your Pills might benefit her, at all events I resolved to give them a trial, which I did, the result was marvellous; by slow degrees my mother became better, and after persevering with your remedies for nine weeks, she was perfectly cured, and now enjoys the best of health, although seventy-five years old. I remain, Sir, your obliged, (Signed) THOMAS WESTON.

Remarkable Cure of Dropsy after being tapped three times. Copy of a Letter from Anthony Smith, Esq. Halifax, Nova Scotia, dated the 25th August, 1854.

To Professor Holloway, Sir—I desire to add my testimony to the value of your Pills in cases of dropsy. For nine months I suffered the greatest torture with this distressing complaint; I was tapped three times, and finally given up by the doctors; having become so weak as a skeleton, and with no more strength in me than a child just born. It was then that I thought of trying your Pills, and immediately sent for a quantity, and commenced using them. The result I can scarcely credit even now, although true it is. After using them for four weeks, I felt much better, and by persevering with them, at the expiration of two months, I was completely cured. I have since enjoyed the best of health. I am, Sir, yours, sincerely, (Signed) ANTHONY SMITH.
