# SIMMERS' STANDARD SEEDS

There is no guesswork in selecting the  
best varieties of either Vegetable  
or Flowers from our

## SEED CATALOGUE

We give our customers the benefit of  
the numberless practical tests made  
in years gone by. Of each kind of  
vegetables we select the best for all  
purposes. If you plant these thorough-  
bred strains there will be no disap-  
pointment in either the quality or  
productiveness of your garden. Our  
beautifully ILLUSTRATED CATALOGUE  
is free for the asking. Write for it now
