READ OUR SPECIAL OFFER.

WE WILL SEND to every reader of 'THE NORTHERN MESSENGER,' or worthy person recommended by a subscriber or reader, a full-sized One Dollar package of VITÆ-ORE, by mail, post-paid, sufficient for one month's treatment, to be paid for within one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and dopes of quacks or good doctors or patent medicines he or she has ever used. Read this over again carefully, and understand that we ask our pay only when it has done you good and not before. We take all the risk; you have nothing to lose. If it does not benefit you you pay us nothing. Vitæ-Ore is a natural, hard, adamant, rock-like substance—mineral—Ore—mined from the ground like gold and silver, and requires about twenty years for oxidation. It contains free iron, free sulphur and magnesium, and one package will equal in medicinal strength and curative value 800 gallons of the most powerful, efficacious water drunk fresh at the springs. It is a geological discovery, to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Dropsy, Catarrh and Throat Affections, Liver, Kidney and Bladder Ailments, Stomach and Female Disorders, La Grippe, Malarial Fever, Nervous Prostration and General Debility, as thousands testify, and as no one, answering this, writing for a package, will deny after using. Vitæ-Ore has cured more chronic, obstinate, pronounced incurable cases than any other known medicine, and will reach such cases with a more rapid and powerful curative action than any medicine, combination of medicines, or doctor's prescription which it is possible to procure.

Vitæ-Ore will do the same for you as it has done for hundreds of readers of 'THE NORTHERN MESSENGER' if you will give it a trial. Send for a \$1 package at our risk. You have nothing to lose but the stamp to answer this announcement. We want no one's money whom Vitæ-Ore cannot benefit. You are to be the judge! Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure and is willing to pay for it, would hesitate to try Vitæ-Ore on this liberal offer? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. We mean just what we say in this announcement, and will do just as we agree. Write to-day for a package at our risk and expense, giving your age and ailments, and mention 'THE NORTHERN MESSENGER,' so we may know that you are entitled to this liberal offer.

ITS CURES ARE PERMANENT.

It Isn't the Medicine Which Does You SOME GOOD Which Counts, But the Medicine THAT CURES! Vitæ-Ore is That Kind! It Cures, and Its Cures are Permanent! THIS PROVES IT!

SAULT STE. MARIE, ONT. - I had Rheumatism and Dyspepsia very bad for three years, and during that time tried most of the remedies advertised for these troubles. Vitæ-Ore was finally recommended to me as being just the thing for my complaint. I used two packages, which cured me COMPLETELY. That was eight years ago, and the trouble has never returned. W. T. Pain Was Unbearable.

So Writes Vincent J. Harrington, of Egmont Bay, P.E.I., One of the Thousands in Canada Whom Vitæ-Ore Has Cured of

Serious Kidney Troubles.

THOUSANDS of people have pain in the back and wonder why; it's there, but they don't know what causes it, and rub the back with liniments and apply porous plasters, but it's still there, and keeps there until the sufferer awakes to the fact that the trouble is in the Kidneys, and uses the right medicine for such a trouble, as did Mr. Harrington. The doctors have many ways of telling if the patient's kidneys are working right and normally; they can prove by analysis, by examination of sediment, whether or not there is any irregularity. It does not need this, however, to tell to a sufferer that the fault's in the kidneys. The dull, aching pain in the small of the back, the sharp, terrible sensation when arising from a stooping posture, the heavy, dragged-down feeling when standing long in one position, are all signs that read plainly and point surely to trouble in these organs, a trouble that must be treated promptly and effectively. That Vitæ-Ore provides such a treatment the following letter from Mr. Vincent J. Harrington, of Egmont Bay, P.E.I., will demonstrate beyond the shadow of doubt or any possible denial.

Read What He Says:

EGMONT BAY, P.E.I.

Words fail me to tell how I have suffered, and what Vitæ-Ore has done for me. It has cured me of Kidney Trouble after being a sufferer for several years. My back and kidneys were so sore that if I were to work five minutes in a stooping posture it would take me three minutes to straighten up again, and the pain was almost unbearable. I am now as strong in the back and vigorous and full of vim as I was at 16 years, and I give thanks to Vitæ-Ore for the great change.

VINCENT J. HARRINGTON.

If your kidneys are causing you any uneasiness; if you fear trouble in these organs, DO NOT DELAY, but begin the treatment immediately with this natural curing and healing Ore. It is NATURE'S SPECIFIC for all irregularities of the vital organs, for every trouble in the physical forces, a specific which works in a rational, prompt and efficient manner that no other medicine or combination of medicines can duplicate.
