READER, If you inquise of any person or persons who have ever visited C S. Powers' Newcastle Marble Works, or purchased durble from any of his numerous Agents in Canada West, they will tell you that this is positively the Library Best and Chearest Establishment of the kind in the Province, and not inferior to any in British North America. His Marble, which he imports direct from the native Quarries, is of a very superior quality, and comprises every variety of European and American Marble in demand in this Country, and as he employs none but first class Sculptors in its manufacture, his work is pre-eminently distinguished for originality and beauty of design, and skill in execution. He is now constantly manufacturing to order:
