**PROSPECTUS OF THE 4TH VOLUME OF
THE BEE.**

HAVING lately announced an intended change in the Proprietary part of this Paper, it now becomes our duty to state what that change is. The present Proprietor intends to associate his Son with himself as joint owners; and in future, one of the two will devote his time almost exclusively to the Editing of the Paper, by which means, and the ready access we have at all times to an almost endless variety of reading, we hope to be enabled to make material improvements in that department.

In addition to this, arrangements have been made to have the entire paper printed on a new type, at an early stage in the 4th volume, and to have other important improvements made in the mechanical part.

While we cannot but feel grateful to a large portion of this community, and the Nova Scotia public at large, for the liberal patronage they have extended to us, we trust the exertions we are now making for the general improvement of our periodical, will be duly appreciated, and that our reward will be commensurate with the increased labour and expense. In all other respects, such as the politics, the price, mode of payment, &c. the paper will remain unchanged for the present, except in this one particular, that no Paper will in future be sent to places beyond the County, where we have no agent, unless they are paid in advance, or satisfactory reference made to some individual on the spot. We take this early opportunity of letting this be known, that those whom it affects, may have timely notice of, and be prepared for the change.
