Now use the Mille patented Long Distance Microphone with double battery in the construction of all their best telephones, and they are without doubt the best instrument for long or short distance now offered the public. Their Warehouse system of Telephones are fitted with potent Automatic switch, by which means the lever is returned to the zero point when the receiver is returned to its place after use. No Warehouse system is complete and satisfactory without this attachment.

Dynamometers, Motors, Bells and the Incandescent Light installed by Experts.

Experimental and Testing Apparatus Medical Batteries, Physicians' Outfits, Primary and Storage Batteries, Switches, Coils, Motors, Indicators, Lamps, Fixtures, Etc.
