

PUBLISHER'S DEPARTMENT.

ADVICE TO MOTHERS.-Mrs. Winstow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once: it produces natural, quiet sleep by removing the child from pain, and the little cherub wakes as bright as a button. It is very pleasant to take. It soothes the child, softens the gums, relieves all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

IF your children are troubled with worms give them Mother Graves' Worm Expeller; safe, sure, and effectual.

FOR suffering chronic diseases, 36 symptoms, read the following advice. Send stamps to Whittier, 1008 Rabbitt, Cincinnati, O. (old office) Ohio case.

"These addresses are brief, pointed, eminently practical. Mr. Elliot is well known in his community as an accomplished expounder of the Word of God, and with the gift of saying much in little, much meaning, few words. This is the characteristic of these addresses which we most cordially commend to the thoughtful reader. CURE FITS!

When I say cure, I do not mean merely to stop the pain a time and then have them return again. I mean a permanent cure. I have made the disease of FITS, EPILYPTIC or FALLING CONVULSIONS a life-long study. I was unable to cure the worst case. Because of my inability I was obliged to travel in search of a cure, and I received it from one of the old physicians who had a Free Bottle of my 'Infidelity Cured' of Epilepsy and Post Office. It cured my epilepsy, and I will cure you.
