

CHICAGO MARKET.

A BIG SLUMP AFTER NOON — BRISK BUSINESS THROUGH NEW YORK WAS CLOSED.

Chicago, Sept. 29.

Today's Chicago market was deplacated by some who ought to be able to know, to be a very dangerous one. Wheat advanced steadily from strong openings till noon, when a reaction set in. The market closed between one and two cents lower than its highest price which was reached shortly after noon. The unwary who had entered this market are probably repenting and regretting the closing slump. Little business was expected today and the brisk business came as a surprise.

Liverpool—Argentine shipments 880,000. Wheat 1/4 higher, opened firm but became later lower.

Primary receipts . Last week receipts, 1,082,437, shipments 533,456. Last year receipts, 1,517,358, shipments 1,116,369.

Four ports, receipts, 133,051, shipments 401,916.

At Chicago received today: Car lots wheat 161, shipments, 101,855.

Car lots corn, 906, shipments 349,200.

Car lots oats 135, shipments, none. Hogs received 18,000; cattle, 3,000, sheep, 6,000.

Bradstreet makes exports from both coasts for five days 3,322,000 wheat and flour, and since the 1st July 49,966,000. Corn exports 2,776,000, and from 1st July 55,932,000.

North West cars this week, 869, last week 948, last year 1,266.

Boston clears today wheat 231,000; flour 2,142 bbls; corn 63 bushels.

World's shipments will look small on Monday, because the Bradstreet American shipments, 3,332,000 bushels are for only five days and are 1,300,000 bushels under the six days of the same week last year. Argentine shipment also 500,000 bushels under the week previous. World's shipments will be about 6 million bu., but the apparent decline will be partly artificial for the above reasons.
