OLIVE WOOD PREMIUM.

A circular section of polished Olive Wood, from the Mount of Olives, near Jerusalem, surrounded with its fragrant bark, stamped with the name of the sacred city in English and Hebrew, and showing the beautiful grain and concentric circles of the wood—a most interesting souvenir of the Lord's Land, about 3½ of an inch in diameter and ¾ inch thick. It makes a beautiful paper-weight or table ornament. This will be sent post-paid by mail, securely packed, to every subscriber of this Magazine, old or new, for only TEN CENTS—below cost price even when imported by the thousand. A limited quantity only available. Send orders promptly, to secure one of these beautiful memorials of Olivet.
