

Full returns of the municipal elections in England show a Liberal gain of 97, and a Conservative gain of 66.

The members of the colonial cabinet have resigned in consequence of the passage of a vote of want of confidence by the Victoria Parliament.

An Association has been formed in London with the intention of opposing the Lloyd's. It has perfected its arrangements and adopted the title of "British Corporation for Survey and Registry of Shipping."

Captain Grombatshevski, the explorer, has returned to St. Petersburg from his expedition to the Hindoo-Koosh. His survey covered 7,000 versts. Abundant geographical and ethnographical data were secured.

Three thousand strikers at Sydney, N. S. W., have declared in favor of continuing their struggle. The miners of Newcastle are resuming work. There has been rioting in Adelaide caused by Unionists molesting non-Union men.

Startling evidence has been discovered in the case of Daniel Gorrie, who was hanged a few weeks ago for the murder of a fellow workman in a bakery at Herne Hill, England. Gorrie stoutly maintained his innocence to the last, and now facts have come to the knowledge of the authorities showing that he was guiltless of the crime.

## Good News!

No one, who is willing to adopt the right course, need be long afflicted with boils, carbuncles, pimples, or other cutaneous eruptions. These are the results of Nature's efforts to expel poisonous and effete matter from the blood, and show plainly that the system is ridding itself through the skin of impurities which it was the legitimate work of the liver and kidneys to remove. To restore these organs to their proper functions, Ayer's Sarsaparilla is the medicine required. That no other blood-purifier can compare with it, thousands testify who have gained

## Freedom

from the tyranny of depraved blood by the use of this medicine.

"For nine years I was afflicted with a skin disease that did not yield to any remedy until a friend advised me to try Ayer's Sarsaparilla. With the use of this medicine the complaint disappeared. It is my belief that no other blood medicine could have effected so rapid and complete a cure."—Andres D. Garcia, C. Victoria, Tamaulipas, Mexico. "My face, for years, was covered with pimples and humors, for which I could find no remedy till I began to take Ayer's Sarsaparilla. Three bottles of this great blood medicine effected a thorough cure. I confidently recommend it to all suffering from similar troubles."—M. Parker, Concord, Vt.
