A NEW DEPARTURE

The Bee-Keepers Quarterly

Will be issued April 1st, 1894, and be largely devoted to editorial review of Apicultural literature. It will contain not only all practical methods of management and devices found in the journals, but many points not given elsewhere. Earliest efforts will be made to eliminate the impractical theories and claims so often met with in bee literature, giving only practical information which may invariably be relied upon. There is some who make a financial success in these hard times and to show you how they do it will be Quarterly's mission. Price 25c per year.
