## JUVENILE MISSION AND INDIAN ORPHANAGE SCHEME—ITS SUCCESS.

The financial year of this most interesting and promising scheme ended on the 31st March last, and on the 3rd April the Treasurer remitted the sum in his hands. This amounted to £132 17s. 10d., or \$531.57. There is truly much cause of thankfulness to God for the success which has attended this scheme, and for the growing interest felt in it among our young friends.

The Annual Report to the Synod is in course of preparation, and will contain full particulars, both of the money received, and also of the operations in India. In advance of this document we give a list of schools and individuals who support orphans which will be read with interest.
