

John Macdonald & Co., TORONTO.

You are doubtless aware that the **Cotton Manufacturers** of the Dominion have recently entered into a

COMBINATION

to Advance Prices. to Shorten Credits and reduce discounts, and that the same (we are informed) is to be binding, under penalties, for a period of twelve months.

The advance asked by Manufacturers for immediate and next Spring deliveries ranges from ten to fifteen per cent., and affects to that extent all the following classes of goods, viz. :

Grey and White Cottons,
Shirtings, Sheetings,
White Cottons, Pillow Cottons,
Cottonades, Ducks, Denims,
Ticks and Awnings, Drills,
Linings, Canton Flannels,
Etc., Etc., Etc.

Although we have sold within the last few days in view of this advance, hundreds of bales of these classes of goods, we are still in most of the lines fully assorted, and we have determined to continue to sell so long as they last, at

**OLD PRICES, OLD TERMS,
OLD DISCOUNTS.**

Such an opportunity for securing Stock on exceptionally reasonable terms very rarely occurs, and we trust that without delay you may take advantage of it. We will be pleased to have you call and examine the Stock, or will execute with the greatest care any orders with which you may entrust us.

CATARRH. Catarrhal Deafness and Hay Fever. Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research has proved this to be a fact, and the result is that a simple remedy has been formulated whereby the above diseases are cured in from one to three simple applications made at home. A pamphlet, describing this new treatment, is sent free on receipt of stamp, by A. H. Dixon & Son, 306 King Street West, Toronto Canada.—*The Star*.
