METALS AND HARDWARE.—Very little movement in iron and heavy metals as yet, but enquiries are growing numerous, which would indicate that buying can't be delayed much longer. SAFE DEPOSIT DEPARTMENT.

The vaults are in a building specially constructed, most substantial and secure, fire and burglar proof, and unequalled in Ontario, costing over \$30,000.

Safes and compartments varying from the small box for those wishing to preserve a few papers, to large safes for firms and corporations, are rented at low rates, and afford ample security against loss by fire, robbery or accident. Bonds, Stocks, Deeds, Wills, Plate, Jewellery and other valuables are also stored in the Company's vaults.

TRUST AND AGENCY DEPARTMENT.

Under the approval of the Ontario Government the Company is accepted by the High Court of Justice as a Trusts Company, and from its organization has been employed by the Court for the investment of Court Funds. The Company acts as Executor, Administrator, Receiver, Committee of Lunatics, Guardian of Children, Assignee of Estates, Agent, etc., and as Trustee under Deeds, Wills, or Court Appointments of substitutions, and also as Agent for Executors, Trustees and others, thus relieving them from onerous and disagreeable duties. It obviates the need of security for administration.

The Company invests money, at best rates, in first mortgages or other securities; Collects Rents, Interest, Dividends, and acts as Agent in all kinds of financial business. It also countersigns Corporate Securities.
