## BUSINESS OBTAINED

by catchy schemes and doubtful enterprises is surely short-lived. Misrepresentation and fraud backed up by untruth, is as surely the forerunner of failure.

The Spramotor Company have been the first to give the fruit-growers and manufacturers of Canada a strictly reliable machine for a variety of purposes, the latest of which is applying coal tar as a paint mixture.

It is a brass machine being so perfect in its mechanism that it will whitewash, disinfect, paint with almost any known mixture — as well as spray fruit trees.

It is the subject of more patents than exist on all other appliances together — and yet it is sold as low — or nearly as low — as any other sprayer in the market.

We will also sell you the chemical to use with the Spramotor, or you can get it from your dealer yourself. The only advantage we offer you in this is it is guaranteed strictly pure, and at the lowest possible price. Copyrighted Treatise free.
