Conscious of their duty to prevent and combat evil,  
 Considering that effective measures against abuse of narcotic drugs require  
 co-ordinated and universal action,  
 Understanding that such universal action calls for international co-operation  
 guided by the same principles and aimed at common objectives,  
 Acknowledging the competence of the United Nations in the field of  
 narcotics control and desiring that the international organs concerned should be  
 within the framework of that Organization,  
 Desiring to conclude a generally acceptable international convention regulating  
 the existing treaties on narcotic drugs, limiting such drugs to medical and  
 scientific use, and providing for continuous international co-operation and  
 control for the achievement of such aims and objectives,

Hereby agree as follows:
