

- 5.4. The Parties may seek assistance from the civil aviation authority of a third country in the fulfilment of their regulatory surveillance and oversight functions when an approval by both Parties has been granted or extended by formal agreement or arrangement with that third country.
- 5.5. A Party through its Competent Authority shall promptly notify the other Party of any changes to the scope of the approvals it has issued in accordance with Paragraph 5.1, including revocation or suspension of the approval.
6. Non-compliance
- 6.1. Each Party shall notify the other Party of major non-compliances with any applicable legislation or any condition set forth in this Procedure that impairs the ability of an organisation approved by that other Party to perform maintenance under the terms of this Procedure. Following such notification, the other Party shall carry out the necessary investigation and report to the notifying Party on any action taken within 15 working days.
- 6.2. In case of disagreement between the Parties on the effectiveness of the action taken the notifying Party may require the other Party to take immediate action to prevent the organisation from performing maintenance functions on Civil Aeronautical Products under its regulatory oversight. Should the other Party fail to take such action within 15 working days of the request by the notifying Party, the powers granted to the Competent Authority of the other Party under this Procedure shall be suspended until the issue is satisfactorily resolved by the Joint Committee, in accordance with the provisions of the Agreement. Until the Joint Committee issues a decision on the matter, the notifying Party may take any measure it deems necessary to prevent the organisation from performing maintenance functions on Civil Aeronautical Products under its regulatory oversight.
- 6.3. The bodies responsible for communicating under this section 6 shall be the Technical Agents.
