

Luchkovich, Mr. Michael—Con.

Budget—Con.

Interparliamentary Union at Bucharest; crisis on American continent due to breakdown of our European markets; proportion of foreign wheat purchased by Britain, 2014; precedence of grain trade over all other products of Canada; tariff revision a world problem; understanding Europe's economic tangle; disarmament, international indebtedness and question of minorities the three obstacles to a return to world prosperity, 2015; folly of maintaining militarism and hoping at same time for a return of prosperity; Europe shackled by cost of armaments and huge war and other debts; race question in Europe, 2016; minorities in Europe more interested in political than economic liberation; sole Canadian delegate at Interparliamentary union conference in Bucharest, 2017
