My dear Sir Arthur.

Your letter of March 10,
which reached England after I
had left, has come to hand
after my wanderings.

I note that Convocation is to
be on Saturday May 31 & that
I am to speak for 20 minutes.

I shall arrive from Oberlin
Ohio on Friday the 30th according
to present plans. If there are
any further instructions with you
kindly send them to President.
