Dear Sirs,

I enclose your form S.254 which has been duly filled in giving you the particulars you ask about Mr. Frederick E.G. Clear.

May I point out that as I have only very recently taken over the Principalship of this University I am obliged to rely upon the Dean of the Faculty in which Mr. Clear was registered during 1931 to 1933 for my information. and I have signed the form jointly with Dean Brown.

Yours faithfully,

The Civil Service Commission,
