The sanitary department is being instituted at the request of Commissioner Harris, who finds the civic works claim all his attention. He could not give the time to street cleaning and garbage collection that is necessary.

Commissioner Harris made an urgent appeal to the board to continue the five-year guarantee policy for pave-ment construction this year. He re-ported that 58 paving contracts are now held up by the city council adopting at the last meeting the ten-year guarantee policy, and that all the paving for this year would be seriously delayed. The board endorsed the commissioner's appeal, and sent on to council another recommendation that the five-year guarantee policy be con-tinued for this year.

Cured by Two Boxes of Dodd's Kidney Pills.

Quebec Man Tells How He Found Quick Relief and Permanent Cure When He Got to the Root of the

ST. FAUSTIN STATION, Que April 30.—(Special)—"I suffered from rheumatism—for thirty-four years. Two boxes of Doild's Kidney Pills cured me." That is the statement of Joseph Boisleau Chartier of this place and his neighbors are satisfied that the statement is a true one.

Pressed for further details of his

cure, Mr. Chartier said: "I had rheumatism, sciatica, and pains in the back. My memory was falling, and I was always tired and nervous. I perspired freely with the least exertion, and my perspiration had an unpleasant odor.

"I was also troubled with heart flutterings, my limbs were heavy, and I had a dragging sensation across the

These symptoms tell just why Dedd's Kidney Pills cured Mr. Chartier so quickly and completely. They are, every one of them, symptoms of kidney disease. Mr. Chartier's rheu-matism was caused by the diseased kidneys failing to remove the uric acid from the blood.

Dodd's Kidney Pills cared his kidneys; the cured kidneys strained the uric acid out of the blood, and the
