Ald. Burgess, in a sworn state-ment, has published the proof of the plotting of The Telegram to defeat or discredit Mayor Hocken, no matter whether the civic business of To-ronto goes to the demnition bow wows or not.

A Plotting Newspaper. That plotting of The Telegram ex-posed by Ald. Burgess proves that The Telegram is capable of any form of indulgence of its hatred of Mayor. Hocken, even to the extent of throw-ing the civic business over to the tender mercies of any incompetent who would be picked out of its following. The exposure of that plot-ting of The Telegram also proves that the city hall holds officials who for their own gain are willing to break down board of control form of government if by doing so Mayor Hocken is discredited or defeated.

IN BOARD OF CONTROL FOR 1914 Success of Present Form of Government Depends Upon Defeat of the Mutineers, Church, Foster, O'Neill-Telegram's Plot to Regain Con trol of City Hall Can Be Over-

Thruout all this year there has been mutiny in the board of control Only by the great mental superiority of Mayor Hocken and Controller Mc-Carthy has civic business been conducted. At that, it was necessary for them to have the working majority in the city council that stood by them from first to last, or their work would have been for naught. All year the mutinous controllers tried to block civic business in every possible way. All year a big minority in the city council took every pos-

But by the mental superiority of two there remains the vital necessity for Menace to Government. It is time for the electors to wake up to the menace of the city's inter-ests from The Telegram plots against members of the board, supported by giving Mayor Hocken and Controller a working majority in the council. If the electors return Controllers Church, Foster and O'Neill to office, the mutiny will go on in the board

Nearest and Dearest to the Hearts of the Millions

No wonder the masses of the people are seizing the unusual opportunity now offered by this paper. They couldn't buy "Heart Songs" anywhere for less than \$2.50 in one volume. And to buy the sheet music would cost \$12.00 even if you could find it! But the great syndicate of papers in the United States and Canada now distributing this remarkable treasury of song have made it possible for every family to own a copy. Ordinary methods of book-selling could not accomplish this. It is, in fact, not book-selling, but book-distributing for millions of newspaper readers. That is what it means to get "Heart Songs" for Six Coupons and the cost of distribution. It is the

## Ne Plus Ultra of Song Books Everywhere

Rome was not made in a day! Neither was "Heart Songs"! Nor can any real song book, ever thrown together merely to make a "seller," approach this great song collection. Nor could even a body of the most learned musicians in the world collaborate for big pay and produce a volume equal to "Heart Songs"! Because this unique thesaurus of melody means the outpourings of thousands of hearts, garnered for years, winnowed, and put into one volume. That is why it is today
