How About Taking Stock Yourself This Morning!

Aren't there a good many garments in your wardrobe that are ready to be passed along to others? Maybe you didn't notice that your trouser-edges were almost worn through, or that your bathrobe was slightly torn.

If you'll be wise enough to take stock at the same time as the Simpson Store for men, you may replace your nearly-worn garments with quite new ones at minimum cost.

Only a couple of items are mentioned here, but after you go over your wardrobe, bring the list here of what needs replacing, and you'll be saving money.
