

NEW WORLD'S RECORD IN KENTUCKY FUTURITY

Lexington — The
Summary.

Lexington, Ky., Sept. 30.—The feature of the second day's racing at the meeting of the Kentucky Trotting Horse Breeders' Association today was the Kentucky Futurity for 3-year-olds, the result being doubtful until the fifth and final heat.

Dodge of Lexington.

HEAVY TRACK ORDER AT INGERSOLL FAIR

Ingersoll, Ont., Sept. 30.—The second day of the Ingersoll fair was marked by rain, which constantly fell during the afternoon, but despite this fact the attendance was in excess of 3,000. The live stock classes were well filled. The weather handicap and competition was keen. There also was a remarkably fine showing of cattle from Oxford county's well-known herds, Holstein and Ayrshires. The society is encouraged by the attendance today, which was indicative of a greater interest than formerly and the weather would doubtless have meant a substantial surplus. Interest for the next part, centred on two races, run on a heavy track. The summary:

2.15 pace—
Roy Mac, W. L. Palmer, Norwich 1 1 1
Bonnie Wood, Fred Sells, Norw. 2 3 3

Bell Boy, R. N. Charlton, Springfield 5 2 2
