Brod. & Co. of Montreal where he supplied him with the goods in quantities, and they are in two lots for \$3000. Mr. Nilsson did not confine his purchases. Who would exchange the merry noise of children at play, with the childless home where the clock tick can be heard after hour in the dull silence? But there are many who would.

Like to people the silent house with the children that are so restful and invigorating? Then get a bottle of Dr. Pierce's "Favorite Prescription." It is a medicine that will give you a child, and a child that will be a blessing to you and your family.
