THIS LETTER HAS BEEN SENT

OTTAWA 5th May 1896

Sir,

I have to acknowledge the receipt of a copy of a letter from the Principal of Emmanuel College applying for a grant of \$60 to purchase lumber, posts, nails, etc: for the erection of a fence at the school; and in reply I beg to say that as the Emmanuel College school buildings are not the property of the Department, it does not consider that it would be justified in incurring this expense there.
