**BABY'S GREAT DANGER DURING HOT WEATHER**

More little ones die during the summer than at any other time of the year. Diarrhoea, dysentery, cholera infantum and stomach disorders come without warning and when a medicine is not at hand to give promptly the short delay too frequently means that the child has passed beyond aid. Baby's Own Tablets should always be kept in the home where there are young children. An occasional dose of the Tablets will prevent stomach and bowel troubles, or if the trouble comes suddenly the prompt use of the Tablets will cure the baby. Mrs. Chas. Anderson, Minda, Alta, says: "Baby's Own Tablets are the best medicine for little ones who are suffering from a weak stomach. They cured my baby when suffering from stomach complaint and have made her a fine healthy child." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

**GUARDIALLY AND FALSE ATTACK ON SAINT JOHN MEMBER**

(Continued from preceding page.)

Huns in Europe. Let me get a crack at the Huns in Canada or at some of these playing the Huns game in Canada. These are the men I am after.

"It would be an act of retributive justice, if some of those men had an opportunity to cast their ballots in St. John in order to leave in St. John the member who has disgraced the city of St. John by his own attitude in this house.

Mr. Fugatey.—There are some members of this house who so far forget themselves, that no hon. gentleman would demean himself by replying to them. I should say one member, for there is one who has, on many occasions, shown himself unworthy of anybody's respect. My hon. friend from Frontenac will know to whom I refer. He says that I have given no support to the boys at the front. I do not know the age of my hon. friend, but I am beyond the age when I could go and fight for my country. All that I can do is to contribute of my means to assist our country in the great struggle that is now going on. I have made no boast of what I have done but I am willing to let my record stand side by side with that of any other man in this house or in this country. Those in my own home city know that with respect to those of my relatives who have gone to the front, or those formerly in my employ, I have done all that I could do."

Mr. Edwards.—I also am above military age.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts through the blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.

**TEXAS GOVERNOR OBJECTS.**

Refuses to Tell Legislature Names of Men Who Loaned Him \$150,000

Austin, Aug. 24.—Declaring that he would rather lose his office and be plunged into bankruptcy than to divulge the names of the men who loaned him \$150,000 some time ago to settle his indebtedness, Governor Ferguson, testifying at a hearing of impeachment charges against him contended the transaction was a private affair and refused to answer questions regarding it.

Representative Bryan, judge of admissibility of testimony at the hearing, which is being held before the House as a committee of the whole on charges preferred by Speaker Fuller, took under advisement the question of whether the governor should answer.

**MAKE DRAFT JOKE SERIOUS**

Board Refuses to Release Youth Under Age Who Registered

Montclair, N. J., Aug. 24.—George Hemmingway, who appeared before the local exemption board when notified to present himself for examination and stated that he had registered as a joke on his friends, finds that his joke has been taken seriously. He said he was under age at the time and later filed a New York birth certificate with the board in support of his contention.

The board was of the opinion that as he had registered voluntarily and was accepted by the examining physicians, they had no other course than to certify his name. He was told that any appeal should be made to the division board.
