ORIGINAL PROGRAMME IN ST. MATTHEW'S CHURCH

A unique festivity was staged last evening in St. Matthew's Presbyterian church, Douglas avenue, when "Rev." Morton Donaldson performed a mock marriage ceremony with little Miss Olivia Gregory and Oty Burk as the bride and groom. The ceremony was witnessed by about 500 people and proved very interesting. The officiating "clergyman" was of the tender age of twelve years, while the bride and groom were much younger. All participating were dressed after the manner of the elders at such an important social happening. Miss Margaret Keis was maid of honor, Miss Bertha Silliphant was the bride's mother, and Cecil Howe her dad, who goes here away. Harry Leahan and Robert Carson ushered the guests to places of honor in the front pews, robed off with white silk. Miss Lillian Cox and Miss Ethel Urquhart were bridesmaids, while the flower girls were Misses Irene Galbraith, Doris Cox, Marian Devennie and Winifred Morrison. Fred Howe and John Burk acted as pages, holding the train of the bride. The event was witnessed with delight and pleasure by all present, and reflected credit upon Miss Jennie Keis and Mrs. Murdoch Urquhart who had charge of the rehearsal with Miss Stella Robinson and George Craigie. The other items of the programme were: Chorus by the Sunday school; recitation, Miss Eliza Campbell; dialogue, Misses Winnie and Jean Aird; chorus, recitation, Miss Louise McLone; piano duet, Miss Robertson and Mrs. McCaskill; recitation, John Burk; recitation, Miss Irene Galbraith; solo, Miss Annie Aird; recitation, Fred Howe; recitation, Miss Muriel Ward; violin solo, Miss Hazel Ward; recitation, Miss Irene Heavri; recitation, Thomas Urquhart; duet, Misses Irene and Jean Aird; recitation, Miss Alice Silliphant; recitation, Chas. Murray; recitation, Miss Gladys Morrison; solo, Miss Madeline Dalry; recitation, Miss Henrietta Urquhart; recitation, Miss Florence Latham, Charlie Devlin's, Misses Margaret Hunter and Margaret Keis; recitation, Miss Doris Cox; recitation, Miss Jean Burk; violin solo, Miss Hazel Ward; recitation, Miss Gladys Munford; closing chorus, "Single Bell," after which the entertainment was closed with the singing of the national anthem. The committee in charge of the entertainment were George Craigie and Miss Stella Robertson; Miss Jennie Keis and Mrs. Urquhart.

MILK PRICES

(Montreal Herald) When a set of men get together, and by the mere magic of a resolution, automatically raise the price of the milk supply of half a million people, it is difficult to accept their protestation that they do not constitute a combine. Yet that is what the Milk Shippers' Association is asking the people of Montreal to do. It is to be noted also that their action comes at the end of the winter, within measurable distance of the time when the cows will be turned out to grass, and when the cost of producing milk will become cheaper. The whole thing looks like a deliberate plan to make the winter price of milk prevail in summer and then, if they find the public will stand for this, to have another meeting along towards the fall, and set up a new winter price—and so ad infinitum. At the same time, if, as the farmers say, they are only getting in summer sixteen cents a gallon for their milk, delivered to the wholesalers at the railway stations in Montreal, while the same milk is being retailed at 22 cents, then obviously something is wrong. Surely the act of placing a quart of milk on a customer's doorstep is not worth as much as the whole work of producing it!

MORNING NEWS OVER THE WIRES

Sir Edward Grey, British foreign secretary, in London yesterday in a speech on the Mexican situation with regard to the killing of Wm. Weston said that England would await the result of the enquiry by the United States into the matter, but if the states did not think it desirable to take the necessary steps, England would then institute proceedings herself. "We must reserve the right to secure reparation whenever there is an opportunity to do so," he said. "We have no intention of sending a force to Mexico to take any action, but we do not mean to let the matter rest."

Simon Graham of Lakewood was held up last evening in Dorchester street extension and was robbed of \$128. by two men armed with revolvers. Mr. Graham reported the matter to the firemen at No. 4 station. He gave a description of the men, who appeared to be foreigners, and the police are working on the case.

MARVELOUS BALSAMIC ESSENCES CURE CATARRH NO DRUGS TO TAKE—A DIRECT BREATHING CURE

Statistics Prove that Ninety-seven Per Cent. of Canada's Population is Infested With the Germs of Catarrh. This disease is most dangerous owing to its tendency to extend to the bronchial tubes and lungs, where it causes Consumption. Unfortunately the people have had faith in sprays, ointments and snuffs, which can't possibly cure, and in consequence catarrhal disease has become a national curse. Science is advancing every day, and fortunately a remedy has been discovered that not only cures but prevents Catarrh. This new treatment "Catarrhoson" has sufficient power to kill the germs of Bronchitis, Catarrh and Asthma. It contains pure pine essences and healing balsams that go to the remotest part of the nose, throat and lungs, carrying healing, medicinal to every spot that is irritated or weak. You don't take Catarrhoson like cough mixture—you inhale its healing vapor at the mouth and it spreads all through the breathing organs, soothing and curing wherever Catarrh exists. This is nature's way of supplying the richest balsams, the purest antiseptics known to science. A morning cold is cured in ten minutes. A hard cough is eased in an hour, the most offensive catarrh is thoroughly drawn from the system. For Asthma and Bronchial irritation nothing can equal Catarrhoson—every physician and druggist says so, and we advise our readers to try this treatment if suffering with a cold in the head, complete outfit costs \$1.00, medium size 60c., at all dealers.

ABOUT YOUR OWN VIGOR Sent Free to Men MR. READER: Here is something I have to offer you, absolutely for nothing—a little private book of special information about the legitimate use and unnatural abuse of many vigors about the preservation of manly strength and its possible self-restoration. An illustrated pocket compendium with many hints that you can surely apply to your own self, no matter how strong you may be, or how nervous or run-down you may be—if you want to know the facts about this particular subject, given to you without a single charge, then fill in the coupon below, send to me and receive my book, sealed, by return mail. In one part of this little publication I describe a mechanical invention of my own, which I call the SANDEN Vitalizer, something you wear at night as an aid to the restoration of lost or waning strength; but you are not expected to get one of these appliances unless you decide for yourself that you want one. The book is complete, and there is absolutely nothing you are required to buy or pay, either now or in the future. Therefore, please send your name and address today. SANDEN, Author. MANHOOD! The quality which rules the world today. My friend, there never was a time in the history of the human race when real, sturdy manhood, manly vigor and manly courage counted for as much as they do now, this very minute. No matter what your years, whether you are 20 or 80, you must be either entirely in the race or entirely out of it. It is invariably the fellow who proves up bravely in this human strength that forges to the front, while weaklings stand aside; it is he also who is in most demand and most sought after by women and men of his community, simply because he radiates that marvelous magnetic influence which only an abundant vigor and rugged manly health can radiate. I believe any man can hope to completely develop or restore this same vigor, or manly strength, no matter what his past follies may have been, provided he is willing to REALLY MAKE THE EFFORT, and provided, of course, he is not weighed down by extreme old age or is not incurably diseased. To my mind, the road of the one who wants more vigor is perfectly plain, but it is a road that any man MUST travel if he attains the highest ideal in respect to his own manhood. See information in my free book. As to the SANDEN Vitalizer, previously mentioned, will say it is a little mechanical appliance, weighing but a few ounces, which you wear at night. This Vitalizer generates and sends forth a certain set, penetrating force which I call Vitality. It drives this Vitality into your nerves, blood, muscles and organs as you sleep. It is quieting to the nervous system—or, at least, so users say. Men write that it takes pain out of the back often at once and restores vitality in 80 days. Remember, the general information of the free book is independent of this Vitalizer, and you are not expected to get one of these little appliances unless you want to. You can write me later as to that if you so desire. With special attachments, my Vitalizer is used by women as well as men for rheumatism, kidney, liver, stomach, bladder disorders, etc. If you live in or near this city I should be most pleased to have you call in person at my office, where you may see and test the Vitalizer free of charge. Hours—9 to 6; or if inconvenient to call, do not fail to write for the free booklet. To Get Free Book Please Use Coupon If you live too far to call, or if you cannot call, please fill in the coupon below and send it to me. You will receive free, sealed, by return mail, my 72-page illustrated book, containing 8,000 words, a complete compendium of useful information for men, young or elderly, single or married, who want the truth about the subject of vital strength, its preservation, its possible self-restoration and its legitimate uses and wanton abuses. You get it all free. DR. E. F. SANDEN CO., 140 Yonge Street, Toronto, Ont. Dear Sirs—Please forward me your book, as advertised, free, sealed.
