QUIT MEAT IF YOUR  
KIDNEYS ACT BADLY

Take Tablespoonful of Salts If  
Back Hurts or Bladder  
Bothers

We are a nation of meat eaters and  
our blood is filled with uric acid, says  
a well known authority, who warns us  
to be constantly on guard against kid-  
ney trouble.

The kidneys do their utmost to free  
the blood of this irritating acid, but  
become weak from the overwork; they  
get sluggish; the eliminative tissues clog  
and thus the waste is retained in the  
blood to poison the entire system.

When your kidneys ache and feel like  
pins in the back or the urine is cloudy,  
full of sediment, or the bladder is irri-  
table, obliging you to seek relief during  
the night, when you have severe head-  
aches, nervous and dizzy spells, sleep-  
lessness, acid stomach or rheumatism in  
your joints, get from your pharmacist  
about four ounces of Jad Salts; take  
a tablespoonful in a glass of water be-  
fore breakfast each morning and in a  
few days your kidneys will act fine.

This famous salts is made from the acid  
of grapes and lemon juice, combined  
with lithia, and has been used for gen-  
erations to flush and stimulate clogged  
kidneys, to neutralize the acids in urine  
so it is no longer a source of irritation,  
thus ending urinary and bladder disor-  
ders.

Jad Salts is inexpensive and cannot  
injure; makes a delightful effervescent  
lithia water drink, and nobody can  
make a mistake by taking a little occa-  
sionally to keep the kidneys clean and  
active.
