MARY ANN MALSTAY, Adm'r.

ALICE K. MICSTAY, Adm'rs.

JOHN PARKINSON, Adm'rs.

St. Andrews, July 13, 1859

A compound renady, in which we have labored to produce the most effect, all alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases. Sarsaparilla is reputed to code. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that due which will accomplish their cure must prove of in mense service to this large class of our semi-service to the large class of our semi-service. The worst class to be found of the following a majorities. Complaints:—Supported and Paragraphics Science and Scien

seres, through which the system will strive to rid itself of corruptions, if new sisted to do this through the natural channels of the body by an alterative medicine. Clean so out the vitiated bloss whenever you find its impurities bursting through the skin in phaples, a ruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; chanse it whenever it is foul, and your feelings will tell you when. Even where no particular dis order is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparille has, and deserves much, the reputation, of accomplishing these ends. I state world has been expected by a one has not all the virtue that is claim of for it, but more because many preparation pretexting to be concentrated extracts of icontain but little of the virtue of Sarsaparille or any thing to be concentrated extracts of icontain but little of the virtue of Sarsaparille, or any thing the concentrated extracts of icontain but little of the virtue of Sarsaparille, or any thing the concentrated extracts of Sarsaparille with little, if any, Sarsaparille, but often no cun utive properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparille which flood the market, until the name itself is justif despix d, and has become synonymous with imposition and cheet. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shell rescue the name from the load of oblequy which rereaupon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to scene their complete cradication from the system, the remedy should be judiciously taken age cording to dince their complete.

DR. J. C. AYER & CO. Price, \$1 per Bettle; Six Bottles for \$5.

Ayer's Cherry Pectoral, has wen for itself such a renown for the cure of every variety of Threat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,

FOR THE CURE OF
Costiveness, Jaundice, Dyspepsia, Indigestion,
Dysentery, Foul Stomach, Eryspelus, Readache,
Piles, Rheumction, Evoptions and Skin Discoses,
Liver Complaint, Dropsy, Telter, Trimors and
Sall, Rheum, Worms, Gont, Neuralina, as a
Dinner Pill, and for Prarifying the Blood.
They are sugar-coated, so that the most sensi-

Price 25 cents per Box; Five boxes for \$1.00. Frice 25 cents per Be a; Five boxes for \$1.00.

Great numbers of C enginen. Private land, their men, and enther it personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of their. The Agents below named furnish gratis our "ABENICAN ALMANAC in which they are given; wif also full descriptions of the above complaints, and the treatment that should be followed for their care.

Do not be put off by unprincipled dealers with other tare parations they make more profit on. Dema'd Ayer's, and take no others. The sick want the back of their care of them, and they should have it.

have it...
