THE BUDGET AND THE LAND.

Bouthen Editor - Aboursory oreading the budget speech gives the impression not only that all is well, but extremely so. A careful examination of the daets, however, begins to breed doubts, the portion Saw." So many applications for actdepling with land especially so each which show this matter has never been considered other transform a point of view which may have proved acceptable under widely different conditions. The items referred to are: \$100,000 for surveys, \$150,000 for forest pretection, and the notion that the wild land tax can compel unlike the control of the compel wild the compel will the com cultivation. In this province, whether the

He can in hardly any case do anything

with it in its natural state.

As to forest protection from fire, there seems to be a peculiar kink in the method of reasoning. A farmer buys and clears his land, produces his crops and pays taxes on the whole. The timber lessee pays a rental of less than one tenth of the interest on the cost of the farmer's land alone, does not produce his crop but has it ready for him, yet the kink in the reaown fire insurance but also that of the imberman. Timber leases are perpetual,

The present advertised price of these ands varies from \$10 to \$20 an acre, and as the average speculator hopes to unload in less than ten years, the tax amounts to this-the immigrant, who purchases to cultivate, will be fined the whole increase for which he will get nothing in return. If continued, the result must be a set-back. If the speculator cannot sell he will admit the bearer into the best sears

The estimated expenditure for 1911 is eleven millions and receipts eight millions, with seven and a half millions in the bank, leaving still unappropriated the sum of about four and a half millions.

If two millions of this were invested in the same way in the interior, close to the present centres of settlement, not 560, but ten times that number, could be placed annually on the land, everyone of who would become an advertisement in fav of the province and everyone also a rev
