The Algonquin football team will hold a practice on the Shamrock grounds early this evening.

There will be a meeting of the W. C. T. U. Tuesday afternoon at 3 p. m. at the W. C. T. U. rooms on Germain street.

A special meeting of the Sheet Metal Workers' Union is called for on Tuesday next Sept. 17th. A full attendance is requested as business of importance is to be brought before the meeting.

The steamer "Aslan" cleared on Saturday for Swansea with a cargo of spruce deals that would aggregate to 3,800,000 sup. feet. This is the largest cargo of this class of goods which has left port this season.

The Inter Society Baseball League has made arrangements to complete their schedule of games this week. The St. Josephs and St. Roses will meet on Tuesday evening and F. M. A.'s and St. Peters on Wednesday and the St. Josephs and F. M. A.'s on Thursday. The games will begin at 5.30 p.m. sharp.

Rafting operations at the Douglas boom, Fredericton, are finished for the season and it is expected that the Mitchell boom will also be closed for the season in about three weeks. It is probable that the gross quantity of logs rafted this season will not differ to any great extent from the total of last year's raftings, although the season at the booms has been somewhat shorter. The booms have been controlled this year principally by the lumber manufacturers of St. John and Fredericton.

**FAMILY FAMOUS FOR LONGEVITY**

John Blizard Dies, Aged Ninety—Mother Was 108 Years Old—Great Ages Attained.

John Blizard, of this city, died at his home on Poldok Road, North End, yesterday. The funeral will take place tomorrow, which would have been Mr. Blizard's ninetieth birthday had he lived.

Mr. Blizard was a son of Thomas and Amy Blizard of Cambridge, Queens Co. The family is remarkable for longevity, the mother having lived for 108 years. Of the original family of sixteen children there are seen daughters and one son still living. The oldest daughter is Mrs. Sarah Sirodon of Houlton, who has reached the age of eighty-five, and the youngest daughter is sixty-nine. Between these two, there are five daughters whose ages range from seventy-four to eighty-four years. The son, Thos. W., of Kennedy street, North End, is seventy-three years of age. Another brother died at the age of ninety-four, Amy Akroy, the mother, was born at Cambridge, Queens Co. in 1792, and died in the year 1900. Her husband, Thos. Blizard, died when seventy-seven years old.

**BAR WILDWOOD TO BE MADE A BARGE**

Sold to Gypsum Company of Windsor, N. S. Will be Towed Across Bay.

The bark Wildwood now lying at the Charlotte street extension, has been sold by E. Lantalam, M. P., to the Gypsum Plaster Co. of Windsor, N. S. Capt. Daniel Monroe and crew arrived in the city on Saturday last and are now staying at the St. John Hotel. They will take the vessel across the bay on Tuesday next. A local tug will tow the bark below the island and the tug Gypsum King will then take the vessel to Somerville, N. S., where the copper will be stripped from the hull after which it will be converted into a barge. The Wildwood was one of the largest square-rigged vessels ever built in St. John shipyard and was launched at a time when the wooden shipping was at its height.

The conversion of the vessel into a barge removes what was practically the last of the wooden ships owned in this port. The majority of the old St. John vessels now afloat are under the Norwegian and Italian flags.

In the police court this morning William Kiley, William Thompson, Daniel Maloney, Frank Hopper, were fined eight dollars for drunkenness. Alexander Rubins found drunk on Mill street Sunday morning was remanded. Walter Wiley, Robert McCann and David Cameron forfeited eight dollars. Hudson said the charge was laid against him on account of the animosity of some people who had formerly pastured their cattle free of charge on the land which he purchased for pasture. He thought somebody let the cattle out of the pasture. He said the pasture was thoroughly enclosed by fences. Officer Gossline said this was not the case. Hudson was informed that he was liable to a fine of \$12 but was allowed off for \$4.

The case against Robert Boullier and William Campton arrested on suspicion of stealing junk on Wednesday last, was continued this morning.

Policeman Lucas swore that on the evening of the eleventh he noticed two men on Water street at the foot of Duke. They walked down behind a shed where coal was placed. They returned to Water street and loaded boxes for five minutes. He watched the men who first walked away and returned a few minutes later. He saw them going into a lot where E. Lantalam has some junk stored. They walked round the coal bags stored at another end of the lot and were carrying them up to the top of a ship's pump where the pump was being before they touched it. Witness walked over to them and arrested them on suspicion of stealing. He asked them what they were doing around there and they said they were looking after Mr. Lantalam's junk. The answer did not satisfy him so he arrested them.

They said there had been some stuff stolen before and Mr. Lantalam told them to keep watch on it. Officer Lucas was acting detective at the time of the arrest. He said there was much more material in the lot and thought the arrest would be worth about \$15.

John Lantalam testified that he identified the pieces in the Water street lot as his. He had a doubt whether or not the piece was the one from the lot.

The case was then adjourned.
