When the Baby Criss at Night there is a cause for it. Perhaps it is gas on the stomach, may be cramps or diarrhoes.

Dia't lose sleep, anticipate such contingencies by always keeping handy a bottle of Polson's Nerviline. Just a few drops of water given inwardly, then rub the little water given inwardly, then rub the little one's stemach with a small quantity of Nerviline and perfect rest is assured for the night for both mother and baby. You may not need Nerviline often but waen you do need it you need it badly. Get a 25c. bottle to day.
