SPORTING BYENTS OF A DAY. ANNUAL MEETING OF AUXILIARY BIBLE

Resolutions in Connection With the William T., J. I., jr., and George W. Work Were Adopted.

Addresses on Topics Kindred to the Business of the Organization Delivered by Prominent Clergymen--Some Statistics of the Work in St. John.

Resolved, That believing the Bible to be the inspired Word of God, we regard it as a fortress of truth against which no weapons of unbelief can prevail. We gladly welcome the fresh light which reverent learning has thrown upon its pages, and have no fear but that it will emerge from the fires of modern criticism with its divine origin and authority more clearly manifest.

Moved by Rev. T. F. Fotheringham, seconded by John E. Irvine.

Resolved, That the thanks of this meeting Resolved, That the thanks of this meeting be tendered to the collectors and subscribers who have enabled the auxiliary to give a tangible proof of its interest in the work of the parent society, and to Miss Wesley and Miss Henderson, who have been by the divine blessing, enabled to place the Bible in many careless homes, and awaken a fresh interest in its persual amongst those who had almost forgotten its value.

Moved by Rev. W. O. Raymond, seconded by A. L. Law.

In seconding the third resolution, A L. Law referred to the work of Miss Wes ley and Miss Honderson, who made 1,556 visits during the year, read wita 1,262 families, sold 355 Bibles, 184 Bible por tions, 247 pieces of other Iterature, and gave away more than 1,000 Bible portions. Last year New Brunswick contributed \$2,000 to the Bible Society fund.
