LONDON NOTES

Mrs. Alice Fountaine is home again from the hospital and doing nicely.

Mrs. Hattie Berry is on the sick list. Her friends wish her a speedy recovery as she is missed very greatly.

Mr. Scott of Owen Sound is sick in the Victoria Hospital. He is improving nicely.

Mrs. Eliza Groat is visiting her son and daughter in Stratford during the week end.

The Harvest Home and Supper of the B.M.E. Church was a success. It was given by the Stewardess Board, Mrs. B. Fountain, president. The programme was arranged by Misses Fountain and Drake. Numbers of duets, solos, recitations, instrumentals, and quartettes were well chosen and appreciated by all who were present.

The Church Aid will hold their Thanksgiving Pie Supper on November 11th. A small programme will follow. Please accept this invitation to attend. There will be chicken pie, pumpkin pies, mince pies, in fact pies of all descriptions. The proceeds are to be applied on the pastor's salary and mortgage.

Miss Violet Smith is sick in the hospital.

Mrs. C. Charles is quite feeble at this writing.

Mr. and Mrs. Cook have returned home from Buffalo. Mr. Cook's health is very poor.

We are very sorry to lose Mr. and Mrs. J. Brown as workers in our community, but wish them success in their new home in Toronto.

A letter was received from Mr. Wm. Taylor, who is visiting his sister in Ann Arbor, Mich. He wishes to be remembered to all friends and he also says he is having a splendid time.

Rev. and Mrs. H. Wright and Miss R. Wilson attended the funeral of Mr. C. H. Brown.

ISLANDS OF ROMANCE

What a vista of delightful recollections the very name West Indies opens up. From early youth we have read of them, on the pages of Treasure Island, on the pages of history. Here Britain made her first great bid for Empire. Here Drake and Hawkins and the Buccaneer Morgan humbled the pride of haughty Spain.

Canada is now linked with these lovely islands by direct steamship service maintained by a palatial fleet of yacht-like tropic travel vessels.

Two services are maintained. The Eastern Group Service embraces coral Bermuda, St. Kitts, Nevis, Antigua, Montserrat, Dominica, St. Lucia, Barbados, St. Vincent, Granada, and Georgetown, British Guiana.

The Western Group Service sails to Bermuda, The Bahamas and Kingston, Jamaica where connection is made for Belize, British Honduras.

Full particulars may be obtained from any Canadian National rail or steamship agent.
