## "I Wish I Had Taken Twice As Much!"

Nothing is more often repeated in letters received at our office than the expression "I wish I had taken twice as much insurance while I was about it." When endowments, dividends or cash settlements are paid, the assured very often acknowledges the remittance with that remark. The truth is very few men take as much Life Insurance as they can reasonably carry—and repentance often comes when additional Insurance is not procurable. Probably every reader of this paper believes in Life Insurance and carries more or less of it, but one should ask himself the question, **Am I Carrying as Much Insurance as I Can Afford?** If the policyholders who are now entering the Company could read the evidence of gratified policyholders and beneficiaries, they would make a great effort to increase the amount applied for—and existing policy holders would double the amount of their protection. "One word more"—What income would your present insurance yield the beneficiary at say 6%?
