

Electric Service

Means comfort, convenience, economy and safety.

The home that is completely equipped with electrical devices is a happy one.

All the drudgery of house-keeping is eliminated by electricity.

You can wash, iron, sew, sweep, cook, keep cool in summer and warm in winter, by means of electrical apparatus designed especially to relieve you of unnecessary and fatiguing labor.

At our showrooms all these devices are ready for your inspection. Competent demonstrators will operate and explain them for you.
