Regina, June 1, 1932.

The Right Hon. Arthur Meighen,  
c/o Canadian General Securities, Limited,  
Toronto, Ontario.

My dear Mr. Meighen:

In looking over my unanswered correspondence on the desk to-day I have discovered your letter dated April 19th which you were kind enough to write me giving me your advice on a matter which I placed before you. I must ask your pardon for not having answered this letter sooner but I assure you that I appreciated very much, indeed, the candid expression of opinion contained therein.

I may say the situation has changed somewhat since I wrote you in that we are likely to have a substantial crop over most of Southern Saskatchewan.

Our big convention is all set for Thursday and Friday of this week and when a new executive is appointed, which I trust will be one that will work in harmony with the Government, I may take the matter up with its members.

Thanks very much for your kind expression of confidence in the Government and myself and I can assure you that this is reciprocal.

Yours sincerely,
