

The present filming includes files from three series of records:

RG 10, B.3.a

Indian Affairs

Red (Eastern) Series

Initial microfilming of the Red Series was carried out in the 1970s. The present filming supplements that work. It includes a small number of files which were found not to have been included in the original filming as well as another small number of files which, although microfilmed, now require re-filming.

RG 10, B.3.b

Indian Affairs

Black (Western) Series

Initial microfilming of the Black Series was carried out in the 1970s. The present filming supplements that work. It includes a file which was found not to have been included in the original filming.

RG 10, B.3.e

Indian Affairs

Central Registry Files

Initial microfilming of the Central Registry Files was carried out in the 1970s and 1980s. The present filming supplements that work. It includes a file which was found not to have been included in the original filming.

Le microfilmage actuel comprend quelques dossiers de trois séries:

RG 10, B.3.a

Affaires indiennes

La série rouge (pour l'Est)

La Série rouge a initialement été microfilmée au cours des années 1970. Le microfilmage actuel est un ajout à ce travail. Il comprend quelques dossiers absents du microfilmage initial ainsi que quelques dossiers déjà microfilmés mais nécessitant un nouveau microfilmage.

RG 10, B.3.b

Affaires indiennes

La série noire (pour l'Ouest)

La Série noire a initialement été microfilmée au cours des années 1970. Le microfilmage actuel est un ajout à ce travail. Il comprend un dossier absent du microfilmage initial.

RG 10, B.3.e

Affaires indiennes

Dossiers des archives centrales

La Série des dossiers des archives centrales a initialement été microfilmée au cours des années 1970 et 1980. Le microfilmage actuel est un ajout à ce travail. Il comprend un dossier absent du microfilmage initial.
