

I believe Mr. Duncan has some question with the Provincial Government, as to land in the neighbourhood of the above reserve. When Joint Commissioner I made a report to the Chief Commissioner of Lands on the subject which was circled with many difficulties, and Mr. Duncan has been in frequent communication with the Land office since that time, but I need not refer to matters with which neither the Indian Department, nor the Dominion Government is concerned.

The only matter of any interest to the Dominion Government in Mr. Duncan's letter is his
