District Inspector, Air Regulations,  
402 Blowey-Henry Building,  
Edmonton, Alberta.

1. We cannot concur in your contention in paragraph 2 of your letter of February 8th, 1947, that Mr. McKinnon was receiving remuneration as a private pilot.
2. Our interpretation is that he was receiving out-of-pocket expenses only, apparently to which he was entitled.

(S. Graham),  
Superintendent, Air Regulations.
