

HEAD OFFICE and WORKS,

Covers over an acre of Floor Space

HAMILTON, CANADA

Assets over \$1,250,000

The above cut is a correct Southern view of our main factory, which is 325 x 90ft., also the concrete and brick fireproof warehouse, printing office and general head office building 126 x 45ft., three floors, and six other buildings not shown, all devoted entirely to the manufacture of the MAGNET Cream Separator and MAGNET Gasoline Engine.

Farmers, Fr. Farmers, and Dairymen are invited to inspect our works.
