

## SCROFULA.

## An Enemy Within the Walls.

An open enemy can be met and beaten, but a concealed enemy needs watching. Just so with Scrofula, silently yet surely it wages war on the body and develops its strength unless we take warning by the little signs of its presence which nature reveals to us in the ulcers, abscesses, pimples, sores and inflamed eyes, glandular swellings, rashes, etc., which indicate that Bad Blood and Scrofula lurk within the body. All this shows that it is absolutely necessary to purify the blood and drive out from the system every trace of scrofulous disorder. To purify the blood means to use Burdock Blood Bitters, for no other remedy does this work so well. B.B.B. gives tone and strength to the system, removes all morbid and effete matter, and renders the blood pure and the complexion clear and bright. Without B.B.B. thousands of persons now strong and well would still be suffering. We say positively, and without fear of contradiction, that B.B.B. will cure any case of Scrofula, no matter of how long standing, if used according to directions.

### WORST KIND OF SCROFULA.

DEAR SIRs,—I had an Abscess on my breast and Scrofula of the very worst kind, the doctors said. I got so weak that I could not walk around the house without taking hold of chairs to support me. The doctors treated me for three years, and at last said there was no hope for me. I asked if I might take B.B.B. and he said it would do me no harm, so I began to take it, and before three bottles were used I felt great benefit. I have now taken six bottles and am nearly well. I find B.B.B. a grand blood purifier, and very good for children as a spring medicine.

MRS. W. BENNETT.

DEAR SIRs,—After having used Burdock Blood Bitters for Scrofula in the Blood I feel it my duty to make known the results. I was treated by a skilled physician but he failed to cure me. I had three Running Sores on my neck which could not be healed until I tried B.B.B., which healed them completely, leaving the skin and flesh sound and whole. As long as I live I shall speak of the virtues of B.B.B., and I feel grateful to Providence that such a medicine is provided for sufferers.

### SCROFULA CURED.

DEAR SIRs,—For a long time I was troubled with Scrofula and Bad Blood. Two years ago I cut my foot severely and my blood was so bad that the wound did not heal. Friends told me to try B.B.B. and I got two bottles; before I had used them my foot was well and the impurities driven out of my system. To all sufferers I recommend B.B.B.
