## ADVANTAGES OFFERED.

This Company makes a speciality of insuring Farm Property, Private Residences, and non-hazardous property against loss by fire and lightning.

It pays all losses caused by fire or damage done by lightning, whether fire ensues or not.

It insures Live Stock against death by lightning, either in the building or on the premises of the assured.

It refuses Mills, Shops, Tanneries, Stores, Hotels, and other extra hazardous property, and makes a speciality of Farm Property and Dwellings. It is not subject to heavy losses by great conflagrations, and affords a certain guarantee to those it insures.

It is a purely Canadian Institution, its business is confined to the Dominion, and is under the management of men who have devoted many years to this peculiar branch of Insurance, and understand thoroughly the requirements of the Farmers as a class.
