

Another Cure of Chronic Disease

Of the Kidneys and Bowels—Well-known Steamboat Man Endorses

DR. CHASE'S Kidney - Liver Pills.

Statement Vouched for by Minister.

Mr. James A. Buchner, St. Catharines, Ont., was for years a steamboat man, and is favorably known in every port from Cleveland to Montreal. Until a few months ago, he was for years a great sufferer from kidney disease, rheumatism and constipation. Dr. Chase's Kidney-Liver Pills have made him well, and for the benefit of others he has made the statement below.

Mr. Buchner writes: "For many years I was the unhappy victim of kidney trouble, rheumatism and constipation, which became so severe as to make life a burden. I was a constant sufferer, entirely unfit for work; appetite was fickle; I became emaciated; could not sleep, but arose in the morning tired and enfeebled. I lingered on in this condition, gradually growing worse, and became despondent and discouraged because I could obtain no relief from the many medicines used.

"Friends advised Dr. Chase's Kidney-Liver Pills, and I now feel thankful that this medicine came to my hands when I was in such a miserable condition. The first box gave relief, and, filled with joy at the thought of again recovering health, I continued the use of these pills until I had used six or eight boxes, and was again enjoying my former health and vigor. I shall always recommend Dr. Chase's Kidney-Liver Pills as an ideal medicine."

Rev. W. D. Masson, Methodist minister, Port Robinson, Ont., writes: "Being personally acquainted with Mr. Buchner, who was cured by the use of Dr. Chase's Kidney-Liver Pills, I can say I believe he would not make a statement knowing it to be in any way misleading or untrue."

It is by curing just such chronic and complicated cases as this that Dr. Chase's Kidney-Liver Pills have become so well known as a medicine of exceptional merit. Their direct and combined action on kidneys, liver and bowels makes them successful where ordinary medicines fail. One pill a dose; twenty-five cents a box, at all dealers, or Edmanson, Bates & Co., Toronto. To protect you against imitations, the portrait and signature of Dr. A. W. Chase, the famous recipe-book author, are on every box.

Prince Harold 14228, dam Chewton Violet 26541, dark brown in color, big, smooth and even, clean, flat bone, and shows strength in every linament of his make-up, and what is of vital importance in a Shire, he shows heaps of quality, and a natty, free action. Although this country is indebted to Mr. Dalgety for the importation of very many good horses, it is doubtful if he ever had a better lot together. While, as might be expected of horses freshly landed, they will stand considerable more flesh, yet in the condition they are in a man can see to better advantage what he is buying, and can rest assured he is getting a good, sound, serviceable, unpampered horse. Mr. Dalgety's headquarters is at London, Ont., where correspondence is sure to catch him.

The Washington Post, of Wednesday, says Mr. P. C. Larkin, the tea king of America and the head of the Salada Tea Co., is at the New Willard for a few days. Mr. Larkin is accompanied by his New York manager, Mr. Jas. A. McGuane.

John Miller & Sons, Brougham, Ont., write: "We have been breeding Shropshire sheep for twenty years, but never have had as many good rams for sale at one time before. They are large, weighing over two hundred pounds each, well covered on head and legs. They are sired by our two imported rams, Mansell's No. 2 and Sensation, and from ewes bred by Mansell, Cooper and a few of our own breeding. We will be pleased to correspond with any person in need of a good ram, as we are offering them at prices so low that any farmer can afford to buy one to use on grade ewes. We also are offering about forty young ewes at very reasonable prices."

About four miles from Newmarket, G. T. R., forty miles north of Toronto, lies Pine Ridge Stock Farm, the property of Mr. Wm. Willis & Son, breeders of Jersey cattle, Yorkshire hogs, and Cotswold sheep. For a number of years the Messrs. Willis have paid particular attention to the breeding up of a high-class herd of Jerseys, having regard to truthfulness to type and enormous producing qualities, and when lovers of this favorite dairy breed are informed that there are several three-year-old heifers in the herd that are now giving from forty to forty-five pounds of milk per day, some of which is testing six per cent of butter-fat, and also a number of older cows giving from forty-five to fifty pounds per day, it will surely be considered that this herd is second to none in the country as a money-making proposition. The stock bull is Ida's Sonny 65363, by Canada's John Bull 5th, dam Count Oxford's Ida (imp). He was bred by the late Capt. Wm. Rolph, of Markham, and judging by the superior excellence of the calves he is leaving, it is safe to say he will at no distant day become noted as a sire. Among the many splendid cows, we were particularly struck with the royal appearance, perfect type and enormous development of udder of Zulina of St. Lambert 94757, now milking forty-five pounds a day, testing six per cent.; Pretty of Pine Ridge 132475, now milking fifty pounds a day, and has not been dry for three years, a very persistent milker. These are only an average sample of the whole herd. Prominent among the three-year-olds is Dolly of Pine Ridge 168279, illustrated on another page, winner of first prize in the three-year-old class at Toronto this year, and acknowledged to be one of the best heifers on the continent, a typical Jersey, combining beauty with utility. Almost anything in this herd is for sale, at prices that can not be duplicated, quality considered, in the country. In Yorkshires, the same care in selection of breeding animals is exercised, and at present there are for sale both sexes, which for type, smoothness and finish are unsurpassed. So with the Cotswolds, they combine size, quality, covering and bone of the best. Write Messrs. Willis, to Newmarket, and be assured they will deal squarely and honestly with you.
